1. Introduction

The City of Lenexa, Kansas (the “City”) is requesting proposals to provide insurance agency/brokerage services to the City. The City’s insurance broker works closely with the City’s internal risk manager and legal department staff. The City’s current insurance program includes property and casualty and associated lines, crime, fiduciary, environmental, cyber-liability, and drone insurance. Workers Compensation insurance is handled separately by the Human Resources Department. The major insurance policies are on a November 1 to October 31 annual renewal calendar (an “insurance program year”).

Lenexa is a community located approximately 12 miles southwest of downtown Kansas City, Missouri. The City’s current population is estimated at roughly 52,000 and has increased significantly over the last five years. The City operates under a Mayor-Council form of government with a city administrator serving as the chief executive officer of the city. The City has a budget of approximately \$115 million for 2018 and over 500 full time employees. Operations include a Fire Department and Police Department, a robust Parks and Recreation Department, a Rec Center, and a Public Market.

2. General Information

A. Purpose

This Request for Proposal (“RFP”) provides guidelines for the submission of proposals to provide independent, responsible, and qualified insurance agency/brokerage services to the City. The City intends to select one respondent to act as the City’s insurance agent and broker but reserves the right to select multiple respondents as semifinalists to participate in a competitive market selection process as described in Section 3-D. The City intends to issue a contract for one year, with an option for the City to extend the contract for up to two (2) additional one-year periods, however, the term of the Agreement is not guaranteed and is subject to annual renewal and termination as provided in the contract document. The City’s agreement with its current insurance broker expires June 30, 2018.

3. Guidelines

A. Contact with City of Lenexa Employees

To ensure a fair and objective evaluation of all proposals, questions or inquiries about this RFP **must be submitted by email** to Peter Simonsen, Assistant City Attorney (contact information provided on the cover of this RFP). All questions must be submitted no later than **5 PM (CDT) March 16, 2018**. Responses to submitted questions will be made available by an addendum to this RFP (the “Q & A Addendum”) to all prospective respondents timely submitting the Addendum Request Form, which is attached as **Appendix A**. All prospective

respondents wishing to receive the Q & A Addendum must complete the Addendum Request Form and return it to Peter Simonsen by email no later than **5 PM (CDT) March 16, 2018**. Anyone submitting questions will automatically receive the Q & A Addendum and need not fill out the Addendum Request Form.

The City will issue the Q & A Addendum no later than **5 PM (CDT) March 20, 2018**.

Contact with other City employees regarding this RFP or the services requested may be grounds for disqualification.

B. Costs of RFP Preparation and Submission

Each respondent shall be responsible for all costs incurred to prepare and submit a response to this RFP (a “proposal”). Each respondent is solely responsible for all costs associated with respondent’s participation in the selection process, including but limited to, preparing a proposal, procuring and submitting any insurance quotations, underwriting, interviews with the City, conducting due diligence, and negotiating contract documents. This includes any costs of travel and accommodation for respondent’s personnel.

Respondents may withdraw their proposals by notifying Peter Simonsen via email at any time prior to the deadline for submission and the proposal may either be destroyed or returned to the respondent. After the deadline for submission, proposals become a record of the City and will not be returned. Upon opening, proposals are subject to public disclosure in accordance with Kansas law. Respondents must invoke any exemptions to disclosure provided by law in their proposals and must: (1) specifically identify the data or other materials to be protected; (2) state the reasons why exemption from public disclosure is necessary; and (3) provide a legal basis for the exemption. Simply stating the entire proposal is proprietary and confidential is not sufficient.

All proposals and supplementary materials submitted to the City during the selection process contemplated by this RFP will, upon opening, become the property of the City. Even though a respondent’s proposal may be rejected, the City reserves the right to utilize any concept or idea contained therein, without incurring any liability. The City reserves the right to share any proposals and supplementary materials submitted with City staff, other respondents, consultants, and members of the public in order to secure an informed opinion.

C. Interviews

During the evaluation and selection process, the City may, at its discretion, request any one or more respondents make oral presentations and participate in interviews with City staff. Such interviews will provide respondents with an opportunity to answer any questions the City may have about a respondent’s proposal. Not all respondents may be asked to participate in interviews.

Respondents asked to participate in interviews should come prepared to answer detailed questions about their proposal, the City's current insurance program, trends in the insurance market, and risk management issues associated with Kansas public entities. Respondents should bring necessary personnel to present on all aspects of their proposal. Respondents may also be required to provide written clarifications of their proposals, presentations, and interview responses at the request of the City.

D. Market Selection Process

The City intends to select one respondent to act as the City's insurance agent and broker and procure insurance for the 2018-2019 insurance program year but reserves the right to select multiple respondents as semifinalists to participate in a competitive market selection process. Respondents should indicate in their proposal if they are willing to participate in a market selection process if selected as a semifinalist and, if so, provide a ranked list of three (3) first dollar property and liability carriers the respondent would like to be assigned to procure quotes from and indicate if respondent would like to quote property and liability lines independently or as a package. If the City elects to utilize a market selection process for semifinalists, each respondent will be assigned at least one first dollar property and one first dollar liability carrier to ensure sufficient market coverage and avoid duplicate quotes. Respondents will be encouraged to solicit at least one additional first dollar quote from an unassigned carrier. The City reserves the right to modify this process and to request additional quotations for self-insured retention ("SIR") programs.

E. Negotiation and Contract

The City reserves the right to: (1) accept or reject any and all proposals and waive any technicalities or irregularities therein; (2) cancel the RFP process at any time prior to entering into a formal, written contract for services; (3) reject the response of a respondent that does not submit a proposal to the City's satisfaction; (4) select one or more respondents which, in the City's opinion, are the most advantageous to the City; and (5) negotiate any and all terms of the proposal. All respondents agree that rejection shall create no liability on the part of the City because of such rejection.

By submitting a proposal in response to this RFP, the respondent certifies that it has not divulged to, discussed, or compared its competitive proposal with other respondents and has not colluded with any other respondents or parties. Any prices and/or cost data submitted has been arrived at independently without consultation, communication, or agreement for the purpose of restricting competition.

By submitting a proposal in response to this RFP, the respondent further certifies that it has not employed or retained any company or person other than a bona fide employee working for the respondent to solicit or secure a contract with the City as a result of this RFP and that the respondent has not paid or agreed to pay any company or person, other than a bona fide employee of the respondent, any fee, commission, percentage,

brokerage fee, gifts, or other consideration contingent upon or resulting from a contract with the City as a result of this RFP.

The City anticipates entering into a contract with the respondent it deems submits the most advantageous proposal. However, the City may engage more than one respondent in separate, parallel contract negotiations to complete each respondent's respective offering. The City anticipates issuing a contract for a one (1) year term with an option for the City to extend for up to two (2) additional one (1) year periods. This anticipated term is not guaranteed and is subject to annual renewal and may be terminated as provided in the contract. The anticipated term is from July 1, 2018 to June 30, 2019.

This RFP is not an offer to contract or otherwise enter into any type of agreement (express, implied, or otherwise). No contract or agreement is binding until proposals are reviewed and accepted by the City, the contract terms are negotiated, and the final agreement is approved by the appropriate levels of authority within the City and executed by both parties. The City reserves the right to further negotiate any and all terms of the proposal.

4. Eligibility

To be eligible for consideration as the City's insurance broker, respondents must meet the following minimum requirements:

1. The respondent must be an established legal entity, licensed and authorized to do business in the State of Kansas.
2. The respondent must identify an individual who, if selected, will be designated as the primary broker ("Primary Broker") on the City's account. The Primary Broker must maintain a Kansas property and casualty agency license.
3. The Primary Broker must have a minimum of five (5) years' experience in providing the same or similar services as contained in this RFP.
4. The Primary Broker must be based in the Kansas City metropolitan area.
5. The respondent must have direct access to the following first dollar, public entity insurance carriers:
 - A. State National Insurance Company (BRIT Global Specialty USA)
 - B. OneBeacon Governmental Risk

C. Travelers

5. Scope of Services

The intent of this RFP is to solicit proposals from qualified respondents to provide insurance agency/brokerage services, which will include but not be limited to the following specific responsibilities:

A. Give the City access to the insurance marketplace

The primary responsibility of the City's insurance broker is to secure, on behalf of the City, insurance coverage that mitigates the City's risk in a comprehensive and fiscally responsible manner. The City is constantly striving to secure more comprehensive coverage and mitigate risk where economically appropriate. A successful respondent will share the City's drive to constantly improve the City's insurance program. Respondent must have access to the global insurance marketplace to secure quality insurance coverage for the City at a competitive price. Spreadsheets summarizing the City's current insurance program, including coverages, rates, limits, and premiums is attached as **Appendix B**. The specific services requested for securing insurance coverage include but are not limited to:

1. Beginning in January of each calendar year, establish a timeline for the insurance marketing and/or renewal process.
2. Work with the City in a comprehensive, proactive, and professional manner to formulate marketing and/or renewal goals, strategy, and objectives so that the City can obtain the best possible insurance quotes and secure the best insurance program.
3. Obtain from the City and maintain up-to-date property schedules and loss runs to submit to carriers.
4. Work with the City to timely complete any applications or underwriting forms.
5. Access all necessary insurance carriers either directly or by use of a secondary broker. The use of a secondary broker must be disclosed to the City.
6. Beginning in July of each calendar year, solicit initial marketing and/or renewal indications from carriers.
7. Beginning in August of each calendar year, provide the City with final marketing and/or renewal quotations from carriers, including complete pricing and coverage summaries for all lines in a format designated by the City. Currently, the City uses the spreadsheets attached as **Appendix B** to receive and review quotations and track changes to coverage and premiums.

8. Formally present to the City competitive quotations from each selected market.
9. Provide guidance to the City on selection of insurance policies, including guidance on acceptable limits, coverages, exclusions, coverage gaps, and deductibles.
10. Negotiate, on behalf of the City, directly with carriers to secure any requested endorsements, riders, limits, and policy amendments.
11. Bind coverage as instructed by the City. The major insurance policies are on a November 1 to October 31 renewal calendar (an “insurance program year”). Typically, the final recommendations of coverage are made to the City Council in late September and approved at the first regularly scheduled meeting in October.
12. Follow up with carriers for timely issuance of binders, policies, and endorsements.
13. Provide copies of all binders to the City prior to policy inception.
14. Receive and review from the carriers all policies, endorsements, invoices, and schedules to ensure accuracy and conformity with the quoted coverage.
15. Provide copies of all policies to the City no later than ninety (90) days after policy inception.
16. Keep the City informed of significant developments in the public entity insurance marketplace.
17. Monitor published financial information and ratings of the City’s current carriers and alert the City immediately if insurers’ status falls below established minimum guidelines.
18. Field questions from the City relating to coverage issues between the City and the carriers.
19. Work as a liaison between the City and the carriers.

B. Provide administrative support

The City’s insurance and risk management programs require timely and accurate administration. The City relies on its insurance broker for numerous administrative functions throughout the year. These are frequently time sensitive, detail-oriented tasks that require coordination and communication. The specific administrative services requested include but are not limited to:

1. Process requests for certificates of insurance, bonds, and auto identification cards as requested by the City.

2. Process endorsement as requested by the City.
3. Update limits and schedules as requested by the City.
4. Timely pay, on behalf of the City, all insurance premiums directly to the carriers.
5. Timely invoice the City quarterly for its property and liability package insurance premiums. Other, smaller lines of insurance may be billed annually. All invoices will be billed no later than forty-five (45) days prior to the due date to allow adequate time for payment.

C. Work with the City to manage risk and control costs

In addition to securing insurance coverage and administering the City's insurance program, the City relies on its insurance broker to be a resource for managing risk and controlling costs. The specific services requested for consulting on risk management issues include but are not limited to:

1. Work with the City to develop, recommend, negotiate, and implement cost-effective insurance and/or risk financing programs.
2. Provide expertise and advice to the City in risk management matters separate from but related to insurance.
3. Assist the City in managing its insurance and risk management programs, including loss reporting, insurance accounting, communications, and strategic planning.
4. Advise City staff on insurance related issues in City contracts, including appropriate risk transfer and insurance requirements.
5. Upon request, attend City Council meetings to provide information and recommendations regarding insurance related issues and policy selection.
6. Keep the City advised of developments in the field of public entity risk management.

6. Response

A. Acknowledgment of RFP Documents Form

All prospective respondents wishing to receive the Q & A Addendum must complete the Addendum Request Form attached hereto as **Appendix A** and return it to Peter Simonsen by email no later than **5 PM (CDT) March**

16, 2018. Anyone submitting questions will automatically receive the Q & A Addendum and need not fill out the Addendum Request Form.

B. Response Instructions and Deadline

The submitted proposal must follow the rules and format established within this RFP. Adherence to these rules will ensure a fair and objective analysis of all proposals. Failure to complete any portion of this request may result in rejection of the proposal.

Email one electronic copy of the proposal to must be submitted via email to Peter Simonsen by **5 PM (CDT) March 30, 2018.**

C. Proposal Outline

The outline of the proposal should correspond to the following:

Section A: Executive Summary

Provide a concise overview of the proposal.

Section B: Background and Qualifications

1. Describe your national, statewide and local service capabilities, and, with more specificity, your experience with Kansas municipalities. Provide a description of your general capabilities including information relating to company size, revenues, and staffing.
2. Describe any similar services provided to other municipalities in Kansas and Missouri and provide the name, years of service, and a reference for each.
3. Provide a concise description of qualifications, names, relevant experience, and office location of the individuals who will provide services to the City.
4. Identify the Primary Broker and any other staff who will participate in the daily administration of the City's account.
5. Indicate whether or not you meet each of the eligibility criteria listed in Section 4.
6. In the last five (5) years, have you ever had a contract for services with a public entity in Kansas or Missouri terminated for cause? If so, state the date of termination, the name of the public entity, and describe the circumstances surrounding the termination.

7. In the last three (3) years, have you ever had a contract for services with a public entity in Kansas or Missouri not renewed? If so, state the date of termination, the name of the public entity, and, if known, describe the circumstances surrounding the non-renewal.
8. If you intend to use the services of any other insurance agencies or brokers, then you must submit this information for each and every such entity and clearly identify their role.

Section C: Service Capabilities

Describe how the respondent will perform the Scope of Services by addressing each numbered item.

Section D: Insurance Marketplace

1. For each line of coverage set forth in **Appendix B**, list all insurance companies you would anticipate approaching to seek first dollar alternatives to the City's current insurance program, with your top three (3) listed first. For each insurance company listed, include the following:
 - A. Will the company be accessed directly or via a broker or wholesaler?
 - B. Do you currently have any governmental accounts with the carrier? If so, identify the number of accounts and average size of the governmental entity.
 - C. Does the carrier offer a multi-line "package" program? If so, note the applicable lines of coverage.
2. For property and casualty coverage, list all insurance companies you would anticipate approaching to seek self-insured retention alternatives to the City's current insurance program, with your top three (3) listed first. For each insurance company listed, include the following:
 - A. Will the company be accessed directly or via a broker or wholesaler?
 - B. Do you currently have any governmental accounts with the carrier? If so, identify the number of accounts and average size of the governmental entity.
 - C. Does the carrier offer a multi-line "package" program? If so, note the applicable lines of coverage.
 - D. What retention levels are offered between \$25,000 and \$250,000.
3. Identify the percentage of private vs. public sector lines of coverage you have written. Also provide the total property and casualty premiums placed annually for each of the last five (5) years.

4. For each of the last five (5) years, list the top five (5) insurers, both by number of policies and by total premiums, with whom your firm places its business.
5. For each of the last five (5) years, list the top five (5) insurers, both by number of policies and by total premiums, with whom your firm places its public entity business.
6. How would you approach a key market or proprietary program if you do not have a contract with that market and they typically do not utilize a broker?
7. How would you handle requests from the City to negotiate endorsements, riders, limits, and policy amendments? Specifically, within the last five (5) years have you ever negotiated and secured for a public entity any of the following? If yes, indicate the name of the client or clients and carrier or carriers:
 - A. Kansas Tort Claims Act Endorsement.
 - B. Right to select counsel.
 - C. Consent to settle.
 - D. Aggregate deductible limit.
8. If selected, how can you assure the City that you will provide the most comprehensive and competitive product for its consideration?

Section E: Insurance Program

1. What changes, if any, in carriers, lines, coverage, limits, and/or deductibles, would you recommend the City make to its current insurance program?
2. If the City elected to explore switching to a self-insured retention program, describe how you would approach constructing such a program and describe the program's structure (coverage lines, limits, etc.) and anticipated retention levels.
3. Does your firm offer any actuarial or other services that can be used to evaluate the feasibility of a self-insured retention program?
4. What do you perceive will be the greatest risk management challenge the City faces over the next 12 to 24 months? In the next five (5) years?

5. How would you address a request to join or consideration of an associational program or risk pool? Do you have any conflicts of interest with any associational program or risk pool?

Section F: Administration

Please describe your perceived role and capabilities in claims handling, assistance, and advocacy. Please also address your process for responding to requests for certificates of insurance; billing and paying insurance premiums; and your role in loss control.

Section G: Pricing

1. List all costs associated with your proposed services. No additional charges (such as sales tax, transportation, travel, out-of-pocket expenses, etc.) will be allowed unless specified on the proposal. All brokerage commissions or ancillary fees collected by the respondent shall be fully disclosed and credited to the City against the annual broker fee.
2. Include costs for individual years two (2) and three (3).
3. Indicate whether recurring costs are flat-rate or hourly.
4. Indicate whether you will agree to flat annual renewal. If not, indicate the limit of rate increase (e.g. not more than 10% per year.)
5. Include a proposed billing cycle/schedule.

Section H: References

Provide the name, addresses, and contact person of three (3) governmental entities in which respondent has provided the same or similar services in the last two (2) years. Respondent should try and provide the names of governmental entities in which the Primary Broker served as the Primary Broker for that entity.

7. Evaluation and Timeline

A. Evaluation

Proposals received will be reviewed by a Review Committee. Among other criteria, the City will evaluate the following to determine the most qualified proposal:

- Experience – The City will consider respondent’s experience and overall understanding of the City’s needs; the experience, background, and availability of the Primary Broker and his or her prior experience,

including with the City, if any; and the experience and availability of support staff for such the Primary Broker.

- Investment – The City wishes to be good stewards of taxpayer money, so, although not the only factor, high importance will be placed on the value received for the costs associated with respondent’s proposal, including the projected costs of the City’s insurance program with respondent.
- Capabilities – The City will consider the capabilities of the respondent in addressing the City’s needs and the Scope of Services.
- Proposed Plan – The City will consider the respondent’s proposed plan for addressing the City’s insurance and risk management needs.
- References – The City will consider the respondent’s reputation and the quality of references and similar work provided to public and private entities, particularly Kansas municipalities.
- Selection Process – Overall responsiveness and quality of the proposal, including any supplemental materials, oral presentations, and interviews.

B. Preliminary Timeline

- **March 1, 2018:** RFP released by the City of Lenexa.
- **5 PM (CDT) March 16, 2018:** Deadline to submit questions about RFP.
- **5 PM (CDT) March 16, 2018:** Deadline to submit Addendum Request Form.
- **5 PM (CDT) March 20, 2018:** Q & A Addendum provided by City to prospective respondents submitting questions or the Addendum Request Form.
- **5 PM (CDT) March 30, 2018:** Deadline to submit RFP responses (proposals).

Proposals received after the specified deadline will not be accepted. The City reserves the right to request follow-up information or clarification from any and all respondents under consideration.

Appendix A

ADDENDUM REQUEST FORM

I am requesting the City send me a copy of the Q & A Addendum and any other addenda that may be issued as part of this RFP.

Print or Type the Following Information:

Firm Name: _____
