PARKS AND RECREATION DEPARTMENT

Inclement Weather Policy & Procedures

Policy

Lenexa Parks and Recreation reserves the right to cancel programs, special events and/or close facilities in the event of snow or other inclement weather or emergency situation. The decision to cancel and/or close facilities will be made by the Parks and Recreation Director or his/her designee.

If the Shawnee Mission School District is closed for weather-related reasons, recreation programs will be cancelled until noon that same day.

- A decision to continue or cancel afternoon/evening programs will be made by 11am.
- If school is cancelled during the day, a decision to continue/cancel programs for the remainder of the day will be made by 3 p.m.

During the weekend, cancellations will be determined 30 minutes prior to the program start. Some programs may be cancelled or modified based on other criteria. For example, senior programs may be modified based on extremely cold temperatures, ice on sidewalks and roadways, etc.

Senior Lunch- If JOCO Nutrition cancels, no lunch will be served.

During summer months, programs or facilities may be cancelled/closed due to heat, rain, lightning, extreme weather conditions or expected bad weather. Those cancellations will be determined 30 minutes prior to the program start or facility opening time.

If programs are cancelled due to weather, they will be rescheduled if possible. If not, a refund may be processed according to the Parks and Recreation Department's refund policy or a transfer to another program may be offered, if available. Some special programs and events are not subject to credits or refunds due to the weather (examples include but are not limited to: Lenexa Freedom Run, Midnight Bike Ride, etc.)

If facilities remain open and programs are held but a participant chooses not to attend due to weather related circumstances, no refund is issued.
