CONSENT AGENDA

Item Numbers 1 through 5

All matters listed within the Consent Agenda have been distributed to each member of the Governing Body for review, are considered to be routine, and will be enacted by one motion with no separate discussion. If a member of the Governing Body or audience desires separate discussion on an item, that item may be removed from the Consent Agenda and placed on the regular agenda.

1. Change Order No. 1 to the contract with J.E. Dunn Construction Company for the construction of the Lenexa Justice Center

This change order is for the addition of 54 parking spots, including asphalt, curbs, light poles, cameras, drain/storm structures, and grading in the public parking lot of the Lenexa Justice Center. Total additional cost is \$205,188.

2. Acceptance of the Parking Lot Expansion at Black Hoof Park Project for maintenance

This project constructed a 114-stall parking lot for Black Hoof Park to provide adequate parking for the addition of two disc golf courses and to relieve

some pressure from the existing 84-stall parking lot, which was often not enough for this heavily used park. The total cost of construction was \$442,859.34.

3. Resolution authorizing the Mayor to accept quotes for the purchase of various equipment for the Lenexa Justice Center

Proposals from multiple vendors have been secured for lockers, shelving, fitness equipment, and dispatch consoles/furniture for the Lenexa Justice Center. The total expenditure is \$1,660,770.21.

4. Resolution approving and authorizing the Mayor to execute an agreement with Conrad Fire Equipment, Inc. for the purchase of a fire truck

This purchase agreement is for a 2026 Pierce Impel PUC Pumper fire truck. The contract amount is \$1,147,124.37.

5. Resolution authorizing the Mayor to execute Addendum One to the Municipal Court Judge Employment Agreement with Erika DeMarco to continue serving as municipal judge

In June 2017, the City entered into a one-year employment agreement with Erika DeMarko appointing her municipal judge and setting forth the terms and conditions of her employment. The agreement was subsequently amended in 2018, 2019, 2020, and 2021. The proposed addendum extends the agreement for an additional two-year term.

MEMORANDUM**

ITEM 1

SUBJECT: Change Order No. 1 to the contract with J.E. Dunn Construction Company for the construction of the Lenexa Justice Center

CONTACT: Todd Pelham, Deputy City Manager

DATE: June 6, 2023

ACTION NEEDED:

Approve Change Order No. 1 to the contract with J.E. Dunn Construction Company for the construction of the Lenexa Justice Center.

PROJECT BACKGROUND/DESCRIPTION:

This change order is for the addition of 54 parking spots in the non-secure, public parking lot near Britton Street for the Lenexa Justice Center. The work includes additional asphalt, curbs, light poles/receptacles, cameras, modified drain/storm structures, and grading.

This is an owner-initiated change to accommodate visitors attending events in the Community Room and the Training Building, as well as future growth on the campus. Additional parking on the non-secure side of the building will also enhance security and convenience, as visitors coming for training may not need to be given a code to access the secure parking lot. Staff determined it is more cost effective to add the additional spaces now, as crews are mobilized on site.

Governing Body approval is required for change orders that exceed \$150,000 on contracts greater than \$3 million.

FINANCIAL IMPLICATIONS/FUNDING SOURCES:

This project is in the 2023-2027 Capital Improvement Program (Project No. 80020).

Original Construction Contract:	\$59,529,266
Change Order No.1:	\$205,188
Revised Construction Contract:	\$59,734,454
% Increase from current contract amount:	0.34%

There are sufficient funds available for this request in the owner's project contingency.

STAFF RECOMMENDATION:

Approval of the change order.

| <input type="checkbox"/> Other | <input type="checkbox"/> Quantity Error |

Urgency of Change Order:

- ☐ Contractor cannot proceed with any project work until change order is approved.
- ☐ Contractor cannot proceed with major project work, but can continue work.
- ☒ Contractor can proceed with all work except the immediate portion affected by the change order.
- ☐ Contractor must proceed with work before the change order can be approved.
- ☐ Change order is desirable, but not absolutely necessary to complete the project.

Contract Summary:

The original Contract Sum was:	\$59,529,266.00
Net change by previously authorized Change Orders:	\$0.00
The Contract Sum prior to this Change Order was:	\$59,529,266.00
The Contract Sum will be modified by this Change Order in the amount of:	\$205,188.00
The new Contract Sum will be:	\$59,734,454.00
% <u>Increase</u> (decrease) from current contract amount:	0.34%
The Contract Time will be increased (decreased) by:	0 days

Sufficient budget available to cover the requested change order? ☒ YES ☐ NO

Additional Required Approval:

Governing Body Approval Required: ☒ YES ☐ NO

Contracts \$0 to \$1,000,000: Change Orders greater than or equal to \$50,000

Contracts \$1,000,000 to \$3,000,000: Change Order increases contract by greater than 5%

Contracts greater than \$3,000,000: Change Order greater than or equal to \$150,000

Administrative Team Member Approval Required: ≤ \$20,000 ☐ YES ☒ NO

City Manager Approval Required: None of the above criteria apply ☐ YES ☒ NO

*The change order dollar thresholds listed above are non-cumulative

Description of work to accomplish the change order:

(Attach appropriate backup material necessary to document the requested change order)

This item adds 54 additional parking spots in the non-secure (East) parking lot near Britton Street for the Lenexa Justice Center project. The work includes additional asphalt, curbs, light poles/ receptacles, cameras, drain tile, modified storm structures, and grading. There is sufficient budget available for this change order request in the owner's contingency. This is an owner initiated change to add additional parking spots to accomodate future growth on the campus, Municipal Court patrons, and other visitors attending events in the Community Room and the Training Building. Additonal parking on the non-secure side of the building will also enhance security and convenience, as visitors coming for training will not need to be given a code to access the secure parking lot. Staff believes that it will more cost effective to add the additional spaces now as crews are mobilized on-site and will protect against future cost increases.

RE: Lenexa Justice Center
JE Dunn Project No. 21053400
Potential Change Item No. 0004

J.E. Dunn Construction Company is submitting this Potential Change Item No. **0004** for your review and approval. This Potential Change Item provides information on **ASI 003 - Parking Lot Revisions, Additional Exterior Outlets**
Added an additional row of parking in the east parking lot
Seal O Matic - Additional asphalt and striping
George Shaw - Additional curbs and light pole excavation
JE Dunn - Additional light pole concrete
Westhues - Additional light poles, receptacles, cameras, and dedicated circuits
Rodriguez Construction - Additional grading, base rock, geogrid, drain tile at the island, and modify storm structure A10
Audrie Seeley - Eliminate plantings and add island irrigation
Aptitude - Pricing for added cameras is excluded

Please reference the attached Cost Summary during the review of this proposal.

The above listed change will result in a net change of \$ **205,188.00**.
The Project Schedule will be extended by 0 day/s by the Work of this Potential Change Item.

If this proposal is acceptable, please sign in the space provided below and return a signed copy to our office within two (2) weeks from the date of this letter. We will await your direction in writing prior to proceeding. If you have any questions or comments, please call.

Sincerely,

ITEM 2

SUBJECT: Acceptance of the Parking Lot Expansion at Black Hoof Park Project for maintenance
CONTACT: Logan Wagler, Parks & Recreation Director
DATE: June 6, 2023

ACTION NEEDED:

Accept the Parking Lot Expansion at Black Hoof Park Project for maintenance.

PROJECT BACKGROUND/DESCRIPTION:

This project constructed a 114-stall parking lot for Black Hoof Park in order to provide adequate parking for the addition of two disc golf courses (18-Hole Championship Course and 9-Hole Beginner Course) and to relieve some pressure from the existing 84-stall parking lot which was often not enough for this heavily used park.

Staff performed a final inspection on May 18, 2023 and advised that all work had been completed in accordance with the plans and specifications. The maintenance bonds for this project shall go into force upon acceptance by the Governing Body on June 6, 2023 and will expire on June 6, 2025.

Total trail length	720 linear feet
Total pipe length	276 linear feet

FINANCIAL IMPLICATIONS/FUNDING SOURCES:

This project was funded by Parks Funds and Parks and Recreation Impact Fee (PRIF). The total cost of construction was \$442,859.34.

STAFF RECOMMENDATION:

Acceptance for maintenance.

**CITY COUNCIL
MEMORANDUM**

ITEM 3

SUBJECT: Resolution authorizing the Mayor to accept quotes for the purchase of various equipment for the Lenexa Justice Center

CONTACT: Dawn Layman, Police Chief

DATE: June 6, 2023

ACTION NEEDED:

Adopt a resolution authorizing the Mayor to accept quotes for the purchase of various equipment for the Lenexa Justice Center.

PROJECT BACKGROUND/DESCRIPTION:

As part of the buildout, vision, and overall operational practices of the Lenexa Justice Center, the City requests approval to purchase specific equipment, furniture, and materials. These items include, but are not limited to, lockers, property, and evidence shelving, fitness equipment, and dispatch furniture/consoles.

After reviewing different options and conducting research, staff determined the following vendors are best suited to provide these necessary items for the Lenexa Justice Center:

- Tiffin Metal Products will supply men's and women's lockers, property lockers and security software, duty bag lockers, and gun lockers. Staff received quotes from the two primary vendors of police lockers. Tiffin provided a high-quality product with a superior air-flow feature, at an approximate 40% savings compared to the other vendor.
- Workspace Technologies will provide property and evidence shelving. Staff received two quotes for this equipment, one of which is from the shelving vendor at the current police department. Workspace Technologies offered more shelving and storage capacity per dollar, which was a very important factor in selecting it as the provider.
- Advanced Exercise will provide indoor and outdoor fitness equipment. Staff received three quotes for this equipment. Advanced Exercise provides what staff considered to be a more desirable product line at a competitive price, has a great history with customer service, and offered free storage of equipment and upgrades prior to installation. Advanced Exercise offers GSA pricing under contract #GS-03F-061KA.
- Xybix Systems, Inc. will provide dispatch consoles and furniture. Staff considered four vendors and received three quotes for this equipment. Xybix provides a modern console at a better price than the other vendors. Additionally, Xybix consoles are utilized by Johnson County and Overland Park dispatch, which are the City's two secondary backup locations. This would provide seamless transition for Lenexa dispatchers should the need to operate out of those locations arise. Xybix Systems, Inc. offers GSA pricing under contract #GS-27F-0028X.

Because of the robust research conducted by staff and the project managers, staff requests the sealed bid process be waived.

FINANCIAL IMPLICATIONS/FUNDING SOURCES:

A summary breakdown by vendor is below. Quotes including the details of the specific items to be purchased are located in the Appendix.

Vendor	Item	Funding Source	Cost
Tiffin Metal Products	Men's and Women's Lockers Property Lockers & Software Duty Bag Lockers Gun Lockers	Lenexa Justice Center (Project No. 80020)	\$457,889.00
Workspace Technologies	Property and Evidence Shelving	Lenexa Justice Center (Project No. 80020)	\$248,750.00
Advanced Exercise	Fitness Equipment (Indoor & Outdoor)	Lenexa Justice Center (Project No. 80020)	\$189,543.31
Xybix	Dispatch Consoles/Furniture	County 911 Funds	\$170,577.90
TOTAL			\$1,066,770.21

STAFF RECOMMENDATION:

Adoption of the resolution.

RESOLUTION NO. _____

A RESOLUTION AUTHORIZING THE PURCHASE OF VARIOUS EQUIPMENT FOR THE LENEXA JUSTICE CENTER

WHEREAS, as part of the construction of the Lenexa Justice Center, the City will need to procure various equipment for the Police Department areas; and

WHEREAS, this equipment includes, but is not limited to, men's and women's lockers, property lockers, property security software, duty bag lockers, gun lockers, property and evidence shelving, indoor and outdoor fitness equipment, and dispatch furniture and consoles; and

WHEREAS, the project team analyzed multiple venders and equipment options to determine the best combination of quality and price for each purchase; and

WHEREAS, as a result of this research and comparison process, staff is asking that the sealed bid process be waived for these purchases; and

WHEREAS, staff desires to purchase men's and women's lockers, property lockers, property security software, duty bag lockers, and gun lockers from Tiffin Metal Products, LLC, for the total cost of \$457,889; and

WHEREAS, Tiffin Metal Products, LLC and the City have read and understand the terms and conditions of Quotation #Q052523CC (LK1 and LK2) V2, Quotation #Q052523CC (Other Scope broken out by type) V3, and Quotation #Q033023CC (LK5 Optional Adder) V1, which are collectively attached hereto as Exhibit "A", and made a part hereof by reference, and agree to be bound thereby; and

WHEREAS, staff desires to purchase property and evidence shelving from Workspace Technology, Inc., for the total cost of \$248,750; and

WHEREAS, Workspace Technology, Inc. and the City have read and understand the terms and conditions of Quotation #6577 R5, which is attached hereto as Exhibit "B", and made a part hereof by reference, and agree to be bound thereby; and

WHEREAS, staff desires to purchase indoor and outdoor fitness equipment from Advanced Exercise for the total cost of \$189,543.31; and

WHEREAS, Advanced Exercise and the City have read and understand the terms and conditions of Proposal #071220-R2, and Proposal #069037-R2, which are collectively attached hereto as Exhibit "C", and made a part hereof by reference, and agree to be bound thereby; and

WHEREAS, staff desires to purchase dispatch furniture and consoles from Xybix Systems, Inc., for the total cost of \$170,577.90; and

WHEREAS, Xybix Systems, Inc. and the City have read and understand the terms and conditions of Quote #32045, which is attached hereto as Exhibit "D", and made a part hereof by reference, and agree to be bound thereby.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LENEXA, KANSAS:

SECTION ONE: The City of Lenexa, Kansas, a municipal corporation, does hereby approve and authorize the Mayor to execute the Quotations and Proposals attached hereto as Exhibits "A", "B", "C", and "D" and made a part hereof by reference. Further, the City Manager is hereby authorized to execute all other forms and documents, on forms acceptable to the City Attorney, required to carry out the terms of these purchases.

SECTION TWO: The sealed bid process in is being waived pursuant to AD-Finance-2 for these purchases.

SECTION THREE: This Resolution shall become effective upon adoption by the Governing Body.

ADOPTED by the City Council this 6th day of June, 2023.

SIGNED by the Mayor this 6th day of June, 2023.

**CITY COUNCIL
MEMORANDUM**

ITEM 4

SUBJECT: Resolution approving and authorizing the Mayor to execute an agreement with Conrad Fire Equipment, Inc. for the purchase of a fire truck

CONTACT: Bob Welch, Battalion Chief of Logistics
Travis Vaughn, Fire Chief

DATE: June 6, 2023

ACTION NEEDED:

Adopt a resolution approving and authorizing the Mayor to execute an agreement with Conrad Fire Equipment, Inc. for the purchase of a fire truck.

PROJECT BACKGROUND/DESCRIPTION:

The 2023-2027 Capital Improvement Program (CIP) includes authorization to purchase a Pierce Impel PUC Pumper fire truck in fiscal year (FY) 2026. However, due to significant lead times in manufacturing fire trucks, which are currently 40 months, staff requests authorization to place the order now to maximize the possibility of actually receiving the truck in 2026. By placing the order now, the City will take delivery in October 2026.

This truck will replace fleet #9204, a 2017 Impel pumper, as a front-line truck. Fleet #9204 will remain in service and be reassigned to reserve status. Fleet #9201, a 2008 Class "A" pumper, will be traded/sold as part of this agreement.

This fire truck was chosen for the following reasons:

- Currently, the City attempts to maintain a balanced fleet of fire trucks that feature both aerial operation capabilities and high hydraulic volume capabilities. The front-line fleet of trucks is comprised of three ladder trucks and three pumper trucks.
- Purchasing from Conrad Fire Equipment (located in Olathe, Kansas) provides local availability of repair parts and authorized manufacturer repair/service.
- Lenexa Municipal Service fleet mechanics have specialized training to repair Pierce fire trucks as well as the Cummins diesel engine in the truck.
- It is a high-quality product and Pierce stands behind their workmanship. The fire trucks have a service life of 16-20 years. The Fire Department forecasts a newly purchased truck will spend 8-10 years in front-line status and then an additional 8-10 years in reserve status before being decommissioned.

The fire truck's availability and pricing are secured through a cooperative purchasing contract between the Houston-Galveston Area Council and Pierce Manufacturing, Inc. (the "HGAC" contract). The City, while

taking advantage of the preferred pricing under the HGAC contract, is entering into an independent and negotiated Purchase Agreement with Conrad Fire Equipment, Inc., that will govern the terms of this purchase.

Worth noting in this proposal is the price increase from the approved truck purchase in February 2023, which is slated for delivery in 2025. All new engines being manufactured, in this case by Cummins Diesel, must now meet 2027 EPA standards. This change resulted in an increase of over \$100,000 for the Cummins diesel engine powering this fire truck. The truck we ordered in February will be built to the 2027 EPA standard, but with no increase in cost. The increase in cost will be absorbed by the manufacturer for the previously approved fire truck.

FINANCIAL IMPLICATIONS/FUNDING SOURCES:

This purchase is included in the 2023-2027 CIP (Project No. 10037). The contract amount is \$1,147,124.37.

STAFF RECOMMENDATION:

Adoption of the resolution.

RESOLUTION NO. _____

A RESOLUTION APPROVING AND AUTHORIZING THE MAYOR TO EXECUTE A PURCHASE AGREEMENT WITH CONRAD FIRE EQUIPMENT, INC. FOR THE PURCHASE OF A FIRE TRUCK

WHEREAS, the Fire Department is consistently updating and replacing its capital equipment as necessary in order to best serve the City's residents and visitors; and

WHEREAS, the 2023-2027 Capital Improvement Program includes authorizing the purchase of a fire truck in FY 2026; and

WHEREAS, due to significant manufacturing lead times, the Fire Department needs to place an order now to maximize the possibility of actually receiving the truck in 2026; and

WHEREAS, the Fire Department desires to purchase a Pierce Manufacturing ("Pierce") Impel PUC Pumper fire truck (the "Fire Truck"); and

WHEREAS, the Fire Truck is replacing, and similar to, front-line fleet #9204, a 2017 Impel pumper, which will remain in service but be reassigned to reserve status due to age; and

WHEREAS, Fleet #9201, a 2008 Class "A" pumper, will be traded/sold as part of this agreement due to age; and

WHEREAS, the Fire Department believes that the Fire Truck is the best available apparatus for a number of reasons including, but not limited to, maintaining a balanced fleet of fire trucks that feature both aerial and high hydraulic volume capabilities, historical performance and experience with Pierce trucks, local availability of repair and service, in-house training on repair of Pierce trucks, and competitive pricing; and

WHEREAS, Conrad Fire Equipment, Inc. and the City have read and understand the terms and conditions of the Purchase Agreement ("Agreement"), which is attached hereto as Exhibit "A", and made a part hereof by reference, and agree to be bound thereby.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LENEXA, KANSAS:

SECTION ONE: The City of Lenexa, Kansas, a municipal corporation, does hereby approve and authorize the Mayor to execute the Purchase Agreement which is attached hereto as Exhibit "A" and made a part hereof by reference. Further, the City Manager is hereby authorized to execute all other forms and documents, on forms acceptable to the City Attorney, required to carry out the terms of this Agreement.

SECTION TWO: This Resolution shall become effective upon adoption by the Governing Body.

**CITY COUNCIL
MEMORANDUM**

ITEM 5

SUBJECT: Resolution authorizing the Mayor to execute Addendum One to the Municipal Court Judge Employment Agreement with Erika DeMarco to continue serving as municipal judge

CONTACT: Todd Pelham, Deputy City Manager

DATE: June 6, 2023

ACTION NEEDED:

Adopt a resolution authorizing the Mayor to execute Addendum One to the Municipal Court Judge Employment Agreement with Erika DeMarco to continue serving as municipal judge.

PROJECT BACKGROUND/DESCRIPTION:

The City's contracting policy and practices require that recurring multi-year agreements be reviewed periodically to ensure they continue to meet the operational needs and financial expectations of the organization as well as the strategic goals of the Governing Body. Pursuant to that practice and because of her status as an appointed official, staff recently reviewed the employment agreement with the municipal judge, Erika DeMarco.

On June 6, 2017, the Mayor, with the consent of the City Council, appointed Erika DeMarco as municipal judge. As part of the appointment, the Mayor executed a Municipal Judge Employment Agreement with Judge DeMarco which outlined the terms and conditions of her appointment, including responsibilities, compensation, and benefits. Judge DeMarco has served as the municipal judge since that time and on July 6, 2021, a new Municipal Judge Employment Agreement with a two-year term was approved.

After reviewing the agreement and engaging municipal court stakeholders on the judge's oversight of court proceedings, staff recommends extending her contract for an additional two years. Staff believes Judge DeMarco is effective, equitable, and understanding while presiding over cases and that she should continue to serve as judge to ensure consistency and continuity in the provision of fair and impartial justice in the Lenexa Municipal Court. Additionally, staff surveyed surrounding communities for municipal judge compensation benchmarks. The judge's compensation was increased in order to bring the agreement in line with the surrounding communities.

STAFF RECOMMENDATION:

Adoption of the resolution.

RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ADDENDUM ONE TO THE MUNICIPAL COURT JUDGE EMPLOYMENT AGREEMENT WITH ERIKA DEMARCO TO CONTINUE SERVING AS MUNICIPAL JUDGE

WHEREAS, Pursuant to City Code Section 1-8-A-3, the Mayor, with the consent of the City Council, shall appoint the Municipal Judge of the Municipal Court; and

WHEREAS, Pursuant to City Code Section 1-6-C-2, the City Council, on recommendation of the Mayor, shall set by resolution the salary of the Municipal Judge; and

WHEREAS, the Mayor appointed Erika DeMarco to serve as Municipal Judge on June 6, 2017, and she has served in that capacity since that time; and

WHEREAS, the parties most recently executed a Municipal Judge Employment Agreement ("Agreement") on June 6, 2021; and

WHEREAS, the parties desire to amend some of the terms and conditions of the Judge's employment as listed in the Agreement with Addendum One to Municipal Court Judge Employment Agreement ("Addendum One"), which shall be effective July 1, 2023 through June 30, 2025;

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF LENEXA, KANSAS AS FOLLOWS:

SECTION ONE: In accordance with City Code, the Mayor of the City of Lenexa does hereby appoint Erika DeMarco as the Lenexa Municipal Court Judge and the City Council hereby consents to said appointment as provided in the Addendum.

SECTION TWO: In accordance with Lenexa Code Section 1-6-C-2, the City Council of the City of Lenexa does hereby set the annual salary for Erika DeMarco as provided in the Addendum., and as may be hereafter amended.

SECTION THREE: The Lenexa City Council hereby approves and authorizes the Mayor to execute "Addendum One to Municipal Court Judge Employment Agreement", attached hereto as Exhibit A and incorporated herein.

SECTION FOUR: This Resolution shall become effective upon passage by the City Council.

PASSED by the City Council this 6th day of June, 2023.

SIGNED by the Mayor this 6th day of June, 2023.

CITY OF LENEXA, KANSAS

ATTEST:

Michael A. Boehm, Mayor

Jennifer Martin, City Clerk

APPROVED AS TO FORM:

Ashlee Tomasic, Assistant City Attorney

ADDENDUM ONE TO MUNICIPAL COURT JUDGE EMPLOYMENT AGREEMENT

This Addendum One is entered into this ____ day of _____, 2023 (the “Addendum”) by and between the City of Lenexa, Kansas (“City”), a Kansas Municipal Corporation, and Erika DeMarco (“Judge”) (collectively referred to as “the Parties”) and modifies and amends the Municipal Judge Employment Agreement dated June 6, 2021 (the “Agreement”).

WHEREAS, in 2017 the Mayor appointed Judge as Lenexa’s Municipal Court Judge; and

WHEREAS, the City Council consented to the appointment on June 6, 2017; and

WHEREAS, the Parties executed a Municipal Judge Employment Agreement on June 6, 2017 followed by Addendums in 2018, 2019, and 2020; and

WHEREAS, the Parties executed a new Municipal Judge Employment Agreement on June 6, 2021; and

WHEREAS, the parties desire to renew and amend the Agreement as set forth herein.

NOW, THEREFORE, it is agreed and understood between the Parties:

1. Term: The Renewal Term of the Agreement shall commence July 1, 2023 and extend through June 30, 2025 (the “Renewal Term”) unless otherwise terminated by either party as provided in the Agreement.
2. Compensation: City agrees to compensate Judge for the services set forth in the Agreement, the Judge shall receive an annual base salary of eighty thousand five hundred dollars (\$80,500) (the “Annual Base Salary”) commencing June 30, 2023, unless terminated earlier as set forth in the Agreement. If the Governing Body adopts a pay increase as part of a comprehensive pay plan during the Renewal Term, then the Judge’s compensation shall be increased commensurate with the pay increases approved in the pay plan for all City Employees, and shall be effective in accordance with pay plan specifics. .

City will also continue to provide a cell phone allowance of \$17.50 per pay period. City will compensate Judge through the City’s payroll system, with appropriate deductions.

3. Exhibit B: Exhibit B of the Agreement is amended to reflect the current court schedule which is as follows:

Tuesday	Traffic Docket 8:30 AM – 11:00 AM In-Custody Docket 10:00 AM Bond Docket 11:30 AM
	Traffic Trials 1:00 PM DUI & Misdemeanor Trials 1:30 PM
Wednesday	Criminal Arraignment Docket 8:30 AM Trials 9:15 AM (1 st & 2 nd weeks)
	Public Defender Docket 1:00 PM – 4:00 PM (1 st & 3 rd weeks) Revocation Docket 1:00 PM – 4:00 PM (2 nd & 4 th weeks) Payment & Warrant Set Aside Docket 4:00 PM
Thursday	Attorney & Pro Se Docket 8:30 AM – 11:00 AM In-Custody Docket 10:30 AM
	Animal & Codes Docket 1:00 PM (4 th week)

4. Other Terms: To the extent this Addendum conflicts with any provision in the Agreement, the provisions of this Addendum shall govern. All other terms and conditions of the Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the Parties have entered into this Addendum.

MUNICIPAL COURT JUDGE

ERIKA DEMARCO
CITY OF LENEXA, KANSAS

MICHAEL A. BOEHM, MAYOR

Approved as to form:

Ashlee Tomasic
Assistant City Attorney

**MINUTES OF THE
MAY 16, 2023
LENEXA CITY COUNCIL MEETING
COMMUNITY FORUM, 17101 W 87th STREET PARKWAY
LENEXA, KS 66219**

CALL TO ORDER

Mayor Boehm called the meeting to order at 7 PM. Scout Troop 394 led the Pledge of Allegiance.

RECOGNITION

Mayor Boehm recognized Alex Wright, Scout Troop 394, for achieving the rank of Eagle Scout and for earning every possible badge, as well as for his many other accomplishments and awards. Details of Alex's accomplishments have been published by the Boy Scouts of America at <https://www.hoac-bsa.org/lenexa-scout-earns-every-merit-badge-possible-2023-04-26>.

ROLL CALL

Councilmembers Karlin, Eiterich, Nicks, Nolte, Roh, Arroyo, Sayers, and Denny were present with Mayor Boehm presiding.

Staff present included Beccy Yocham, City Manager; Todd Pelham, Deputy City Manager; Mike Nolan, Assistant City Manager; Scott McCullough, Community Development Director; Sean McLaughlin, City Attorney; Jennifer Martin, City Clerk; and other City staff.

APPROVE MINUTES

Councilmember Denny made a motion to approve the May 2, 2023 City Council meeting draft minutes and Councilmember Eiterich seconded the motion. Motion passed unanimously.

PROCLAMATIONS

National Gun Violence Awareness Day - June 2

MODIFICATION OF AGENDA

There were no modifications.

APPOINTMENT

Mayor Boehm requested the City Council's approval of a 60-day extension to appoint a member to the vacant position on the Building Code Board of appeals.

Councilmember Nicks made a motion to approve the extension request and Councilmember Roh seconded the motion. Motion passed unanimously.

CONSENT AGENDA

1. Bid award to V.F. Anderson Builders for the 99th Street and Clare Road Improvement Project
This project constructs 99th Street as a four-lane, divided roadway from 98th Street to future Clare Road and the easternmost two lanes of Clare Road from 97th Terrace to the proposed 99th Street extension. Improvements include standard arterial roadway sections, sidewalks, multi-use trails, storm sewers, street lighting, and water quality facilities, as well as bike lanes on 99th Street. V.F. Anderson Builders bid \$6,495,701.20 for the project.
2. Acceptance of utility, drainage, and landscape easements and rights-of-way as shown on Creekside Park, First Plat located at the southeast corner of 91st Street & Clare Road
Creekside Park, First Plat, is a 14-lot, two-tract single-family residential development on 7.26 acres at the southeast corner of 91st Street & Clare Road. Easements and rights-of-way are being dedicated to the City as part of the final plat.
3. Acceptance of the 87th Street Parkway & I-435 Interchange Improvement Project for maintenance
This project included signal replacements, widening 87th Street Parkway, construction of additional turn lanes, mill and overlay, and improvement of the existing storm sewer, street lighting, and trail system. The total cost of construction was \$6,831,668.61.
4. Authorize the purchase of an aerial bucket lift truck for the Police Department
This truck will allow Police Department staff the ability to safely work around traffic signals and street lights while installing and performing maintenance on traffic cameras and license plate readers. The total purchase price is \$169,800.
5. Authorize the purchase of three vehicles from the 2023 Equipment Reserve Fund for the Parks and Recreation Department
The City annually replaces vehicles through the Equipment Reserve Fund and the Parks Department was approved to replace three vehicles with three 2023 Chevy Silverado 3500 Cab and Chassis. The total purchase price is \$176,574.
6. Resolution authorizing the Mayor to execute an agreement with the City of Shawnee for the Monticello Road Mill and Overlay Project
The City of Shawnee will be performing a mill and overlay maintenance project on Monticello Road from 71st Terrace to 83rd Street as part of its pavement management program. A portion of this work is within Lenexa city limits and an interlocal agreement is required for Lenexa to pay for their portion of the work. The total cost for Lenexa is estimated at \$90,000.
7. Resolution calling for a public hearing to consider establishing a community improvement district for the City Center North Central Green MXD Project
Central Green, LLC has petitioned to establish a Community Improvement District (CID). In order to establish a CID, a public hearing must be held. The resolution provides notice of a public hearing to consider the establishment of a CID over

property located at the northeast corner of 87th Street Parkway & Penrose Lane.

8. Resolution approving and authorizing the Mayor to execute an amendment to the Payment Agreement with Creekside Woods Investors, LLC regarding property located at the northeast corner of 92nd Street & Clare Road
The proposed amendment grants the developer additional time to make payments to the City in lieu of constructing certain stormwater facilities associated with the Creekside Woods subdivision located at 92nd Street & Clare Road.
9. Resolution approving a Payment Agreement with Ruf Construction Co. for construction of stormwater improvements associated with the Creekside Park subdivision
Ruf Construction Co. ("Developer") intends to develop a single family subdivision known as Creekside Park east of 91st Street & Clare Road, adjacent to the Clear Creek Stormwater Project ("Project"). In lieu of constructing stormwater facilities within the subdivision, the Project will serve as its detention. Per this agreement, the Developer will pay the City \$7,000/acre in lieu of constructing such stormwater facilities for an estimated total of \$200,410.
10. Resolution approving and authorizing the Mayor to execute Addendum Three to the Employment Agreement with the City Manager
In June 2020, the City entered into a one-year employment agreement with Beccy Yocham appointing her City Manager and setting forth the terms and conditions of her employment. The agreement was subsequently amended in 2021 and 2022 to extend the term, amend compensation, and establish new performance goals. The proposed amendment extends the agreement for an additional year and revises the compensation terms and the performance goals.
11. Resolution authorizing the Mayor to execute a Community Development Block Grant project extension request with Johnson County
Pursuant to the sub-recipient agreement with Johnson County, the City must formally request an extension of the Community Development Block Grant funds for any work not completed by December 31, 2022. Due to the extended delay times for the delivery of street light poles, the City requested that the project completion be extended until October 31, 2023.
12. Resolution approving and authorizing the execution of an agreement with ComPsych Corporation for the provision of an employee assistance program and related behavioral health services to the City's employees and dependents
The City's health benefits consultant and staff recommend entering into an agreement with ComPsych Corporation for the provision of an employee assistance program and related behavioral health services for the City's employees and dependents beginning July 1, 2023. The annual estimated cost of the program is \$82,912.
13. Resolution authorizing the termination of a base lease and lease with Meritex Lenexa Development I, LLC as a result of an industrial revenue bond redemption (Meritex Surface Buildings 1 & 2 Project)
Meritex Lenexa Development I, LLC has submitted a request to redeem the industrial revenue bonds (IRBs) the City issued in 2019 for constructing two approximately 120,000 square foot industrial/flex buildings located at the northwest corner of 99th

Street & Britton Street. Termination of the base lease and lease, as well as any other needed documents, is necessary to terminate the IRBs associated with the project.

END OF CONSENT AGENDA

Councilmember Arroyo recused herself from item 12 due to a potential conflict of interest.

Councilmember Roh made a motion to approve items 1 through 11 and 13 on the consent agenda and Councilmember Sayers seconded the motion. Motion passed unanimously.

Mayor Boehm asked if there was any discussion for item 12.

Councilmember Karlin said he is happy to see this item on the agenda as he believes in strong mental health for the community and the employees and he wanted to commend the City for it.

Councilmember Nolte made a motion to approve item 12 on the consent agenda and Councilmember Nicks seconded the motion. Motion passed 7-0-1 with Councilmember Arroyo abstaining.

BOARD RECOMMENDATIONS

14. Ordinance amending Sections 4-1-B-24, 4-3-B-7, and 4-3-B-24 of the City Code related to regulations for fences, walls, and retaining walls
Adopted development codes are periodically reviewed by staff to determine if any revisions are necessary and appropriate for the needs of the City. Staff believes revisions to these sections of the City Code are necessary to address updates to regulations.

Stephanie Kisler, Planning Manager, said this code amendment was discussed at length at the April 18th City Council meeting, so she would quickly review the proposed changes and then focus her presentation on the additional changes that have been made at the Governing Body's request since that meeting. She said staff reviewed the entire code section for fences, walls, and retaining walls and proposes revisions to clarify the code requirements, add new code to account for review practices, and to amend code to decrease requests for variances and deviations.

Ms. Kisler said that fences on corner lots were the main item of concern at the April 18th Council meeting. She said other changes include limiting retaining wall heights to 10 feet per tier, appeals being heard by the Board of Zoning Appeals, and the addition of a new table to make the code easier to understand.

Ms. Kisler presented graphics reflecting the allowed, current and proposed, locations for corner lot, street-side sideyard fences. She explained that staff has further amended the previously presented code changes, at Council's direction, to only allow a corner lot to have a fence at the 15-foot setback in the street-side sideyard if it is a 4-foot open-style fence. She added that the fence would be allowed to attach to the

home's front corner, regardless of height or style, and that the height and style would dictate the setback; for example, a privacy fence, fence taller than 4 feet, or a wall would only be allowed to the 20-foot setback, where a 4-foot open-style fence would be allowed to the 15-foot setback.

Councilmember Sayers said she thought there had been discussion about different styles connecting to the house at different locations. Ms. Kisler said that current code allows a 6-foot privacy fence to attach at the front corner, but only allows a 20-foot setback.

Scott McCullough, Community Development Director, clarified that staff took away from the previous meeting's discussion not to change where privacy fences can connect to the home. He said that the only change that has been made now is to allow a 4-foot open-style fence to have a 5-foot reduction in setback.

Ms. Kisler presented a graphic detailing the changes for retaining walls. She said that the code will allow a retaining wall to be a maximum of 10 feet per tier with a 36-inch differential between tiers if there will be more than 10 feet of retaining wall. She said that the 10-foot measurement includes any fence on top of the wall; for example, a 6-foot retaining wall would only be allowed to have a 4-foot fence on top.

Mayor Boehm asked if an existing, over 10-foot retaining wall that needed a fence on top for safety would be allowed. Ms. Kisler said that would be a great example of an appeal that could be made to the Board of Zoning Appeals where the unique circumstances could be reviewed and considered for deviation. She noted that appeals going to the Board of Zoning Appeals is also a code change because the current code has appeals going to the Planning Commission.

Ms. Kisler concluded her presentation by showing the new table of regulations to be added to the code, which is intended to make understanding and administering this code easier for everyone.

Councilmember Eiterich asked if the current code allows an appeal to Planning Commission and then if denied, appealed further to the Board of Zoning Appeals and Ms. Kisler said no, just to the Planning Commission and if denied, the appeal ends.

Councilmember Sayers made a motion to approve Item 14 and Councilmember Roh seconded the motion. Motion passed unanimously.

15. Approval of a preliminary plan for an accessory office building for Westside Family Church located at 8500 Woodsonia Drive in the R-1 Residential Single-Family Zoning District

The applicant requests preliminary plan approval for construction of a two-story 19,838 square foot office building to serve as a care center for Westside Family Church. The site is located southeast of the existing church and includes classrooms, meeting rooms, playrooms, and counseling rooms.

Ms. Kisler said this request is for approval of a preliminary plan for Westside Family Church's Care Center Building at 8500 Woodsonia Drive. She showed the project location map reflecting the building location, which is south of the existing church.

Ms. Kisler presented a zoning and future land use map and said the property zoned R-1 with a use designation of public/open space. She said it is surrounded by various other zoning and land uses.

Ms. Kisler said that staff requested an overall site plan to see how the south parcel could develop in the future, but this approval is only for the area within the red boundaries on the site plan. She said that churches are allowed in R-1 zoning, so since the use is allowed as accessory, it would have to be rezoned in the future if it were to be used as an office building not associated with the church.

Ms. Kisler said that the developer would have to construct a portion of Woodsonia Drive to connect at the south part of the existing roundabout on the site.

The two-story building would be 20,000 square feet with counseling rooms, meeting rooms, playrooms, and other services as part of the care center that will be focused on the congregation. She said there would be sidewalk added to connect the main building to this accessory building, as well as to Woodsonia Drive.

Ms. Kisler presented a landscape plan showing new trees and plantings, which is still preliminary and will be more complete with the future submittal. She showed photos of the existing church reflecting architecture and materials that will be used in the accessory building as well, using brick and stone veneer, aluminum and synthetic stucco.

The elevations presented reflect the two-story building and Ms. Kisler said there will be colored elevations at final plan.

Ms. Kisler said that both staff and the Planning Commission recommend approval.

The applicant was present.

Mayor Boehm asked why this location was chosen.

Pastor Jeff Manford, Westside Family Church, talked about the surge in the need for care and support in the community and how they want to provide counseling and care groups, doing those things within the church and move some of that out of the church building to a specifically focused location. He said they want this to be community facing and take some of these services out of the church for those who need it, but do not want to go into the church. He said the focus is on healing and health, finances, and pre-marital counseling.

Councilmember Roh asked about the building's height. Ms. Kisler said that a place of worship is not subject to same height requirements, so there is no need for a deviation.

Councilmember Nicks asked if the drive in the parking lot to the roundabout will construct the street to the property line. Ms. Kisler said that negotiations are currently underway, and Mr. McCullough said that would be a requirement of this project.

Councilmember Arroyo said that as a mental health professional, she really values this incredible resource in the community. She asked for confirmation that there would not be any conversion therapy offered.

Connie Horosz, Westside Family Church, said that all of their counselors are licensed professional counselors in Kansas, and some are also licensed in Missouri. She said that they fall under the ACA code of ethics, which aligns with not offering any kind of conversion therapy based on the research around how it can be damaging to individuals. She added that this will be fee-based to make everything affordable and to decrease stigma and increase accessibility.

Councilmember Karlin made a motion to approve Item 15 and Councilmember Denny seconded the motion. Motion passed unanimously.

16. Approval of a final plan for a mixed-use building with hotel and retail space known as Midas Lenexa City Center on 87th Street Parkway between Elmridge Street and Penrose Lane in the CC, Planned City Center Zoning District
The applicant proposes to construct a 79,956 square foot, five-story mixed-use building with two hotels, ground floor retail and an internalized parking garage on 87th Street Parkway between Elmridge Street and Penrose Lane.

Ms. Kisler said this final plan is for the Midas City Center project, which will be just north of City Hall. She presented an aerial image of the property on 87th Street Parkway between Elmridge Street and Penrose Lane and said it is zoned CC. She showed the site plan, which includes two hotels, AC Hotel and Residence Inn, along with retail space and a parking garage. She noted that there are two versions of the site plan, one that includes an additional level of parking garage.

Ms. Kisler said the 5-story building is 80,000 square feet with the hotels wrapping the northeast and southeast sides along Penrose Lane and the retail component on the west side. The parking garage is accessed from Elmridge Street and will have 284 spaces; if the developer constructs an additional parking deck, that will add 70 more spaces.

Ms. Kisler presented the landscape plan, saying the developer has refined the pedestrian amenity zones since the preliminary plan was approved and all outstanding prior items have been cleared. She said that no deviations have been requested and there are no outstanding Planning Commission items.

Ms. Kisler presented elevations reflecting some minor changes made from the preliminary plan. She said that the trash enclosure will have transparent-looking garage doors. She showed a rendering of the building with the additional parking level and said it will make the garage a little taller than the building, but it will still fit in with other City Center buildings.

Ms. Kisler said that staff proposes approving both versions of the plan so they do not have to go back through the process to add the parking level.

Ms. Kisler said that both staff and the Planning Commission recommend approval.

The applicant was present.

Councilmember Sayers asked if Elmridge or Penrose would be closed during construction. Mr. McCullough said that part of the construction plan has not been determined, but staff will do their best to coordinate traffic flow through and around City Center.

Councilmember Roh asked about the criteria needed for the additional parking deck and Beccy Yocham, City Manager, said staff is currently in discussions with the applicant about what that would look like. She said that since this would provide additional public parking, the City would need to make an investment and she anticipates bringing that forward with other incentives related to this application in the future.

Steve Medford, Midas Development, was present.

Councilmember Eiterich asked if the public parking would be on the bottom levels of the garage and if there would be valet services. Mr. Medford said public parking would be on the lower levels and that no valet is planned.

Councilmember Nolte said this is a great project with the streetscape on all sides and filling the entire block. He said the designers have been thoughtful with the courtyard and with the integration of the parking structure. He thinks you would feel good being in City Center and walking around the block.

Mayor Boehm asked if the additional parking deck would be from the street and staff said no.

Councilmember Arroyo made a motion to approve Item 16 and Councilmember Sayers seconded the motion. Motion passed unanimously.

STUDENT INTRODUCTIONS

Tim Reardon, Scout Troop 181, attended the meeting for a merit badge.

Members of Scout Troop 394 attended for Alex Wright's recognition and a merit badge.

PUBLIC HEARINGS

17. Consideration of establishing Project Plan 1K in the City Center Tax Increment Financing District (Kiewit Penrose Lane Building Project)
 - a. Public Hearing
 - b. Ordinance approving TIF Project Plan 1K by a 2/3 vote of the Governing Body
 - c. Resolution approving the Disposition and Development Agreement (DDA) with Kiewit Engineering Group Inc.

- d. Ordinance amending Project Plan 1C within the City Center TIF District *Tax Increment Financing (TIF) Project Plan 1K contemplates construction of a six-story office building, structured and surface parking, sidewalks, landscaping and associated infrastructure, located south of 89th Street/Penrose Lane and west of Renner Boulevard in the City Center TIF District. After the public hearing, the Governing Body will consider adoption of TIF Project Plan 1K. If passed by a 2/3 vote, the Governing Body will consider adoption of a Disposition and Development Agreement with Kiewit Engineering Group Inc. setting forth the terms and conditions for reimbursement of TIF eligible costs with TIF revenues generated from the TIF District. Finally, the Governing Body will consider an Ordinance amending Project Plan 1C to remove land acquisition costs associated with Project Plan 1K.*

Sean McLaughlin, City Attorney, said that this item is consideration of TIF incentives for Project Plan 1K for the Kiewit Penrose Lane Building Project. This plan covers about one acre on Penrose Lane and will use tax increment to reimburse the developer for eligible project costs, up to \$20.68 million in eligible private improvements, with a projected \$13.1 million in revenue produced over the 20-year TIF term.

Mr. McLaughlin said that this also includes an amendment to Project Plan 1C formerly known as the Perceptive Project. He pointed out the locations on the map and explained how the amendment removes an eligible cost out of Project Plan 1C and cleans it up for Project Plan 1K.

Mr. McLaughlin said that this deal provides special event parking for the City in the Kiewit structured parking.

Mayor Boehm opened the public hearing at 7:54 PM.

No one from the public spoke.

Councilmember Nolte made a motion to close the public hearing and Councilmember Roh seconded the motion. Motion passed unanimously.

The public hearing closed at 7:54 PM.

Councilmember Roh made a motion to approve Item 17b and Councilmember Sayers seconded the motion. Motion passed unanimously.

Councilmember Arroyo made a motion to approve Item 17c and Councilmember Nicks seconded the motion. Motion passed unanimously.

Councilmember Sayers made a motion to approve Item 17d and Councilmember Roh seconded the motion. Motion passed unanimously.

NEW BUSINESS

There was no new business.

COUNCILMEMBER REPORTS

Councilmember Sayers said the Art Fair was a great event and there was a great crowd.

Councilmember Nicks said he used Kiewit's special event parking for the Art Fair.

Mayor Boehm said that the interaction between the Art Fair, Farmers Market, and Public Market was great and congratulated everyone on a well-done event.

STAFF REPORTS

18. Lenexa Old Town Activity Center Improvement Project update

Logan Wagler, Parks and Recreation Director, said that the project team is wrapping up the site development phase of the design and would like some feedback. He said this presentation is to update the Governing Body on the process; there will be another update next month before the project goes to the Planning Commission at the end of June. He provided a brief history review of the project to this point and introduced Sean Zaudke, Multistudio, and Matt Evett, Confluence.

Mr. Zaudke said that all of the design decisions have taken Vision 2040 into consideration, particularly the idea that this is about healthy people, inviting places, and a vibrant community.

Mr. Evett presented a review of the existing site and talked about how it will transition to the new building layout and parking configurations, how it will have site amenities and activities like pickleball courts and shuffleboard, yard games, flexible lawn space, awnings, string lighting, and landscaping with native plants and rain gardens, as well as a plaza with tables and chairs. He showed elevations reflecting many of various activities on the site.

Councilmember Roh asked where the light poles would be located in the west area and Mr. Evett said the electrical engineers are still working on that with MUSCO, but that there would be sports court lighting. Mr. Wagler said there are no lighting concerns for the neighborhood.

Mr. Zaudke discussed how the project has evolved and developed and said that the team has been working with Turner Construction an estimate standpoint to bring forward with a high level of confidence what the project will actually look like. He showed how the project scope is organized by renovations of existing and new connections. He said that studies are underway for the exterior design, and they are considering a variety of panels with varied colors and textures, creating an inviting walkway and entrance to the building while screening the mechanical systems, and creating a high degree of transparency to connect inside to outside. He showed elevations reflecting these ideas.

Mr. Zaudke discussed the building's interior and how the outside canopy becomes the inside ceiling and connects them. He showed diagrams of the building addition and the renovations, pointed out different spaces inside the building, and talked about how they are looking for opportunities to create flexibility inside for a variety of events.

Mr. Zaudke discussed the project schedule and said they intend to return to the second City Council meeting in June and then go before the Planning Commission at the end of June for final approval.

Councilmember Nicks asked how this will impact the Chili Challenge and Mr. Wagler said the event will still happen and there would be a reorganized layout. Councilmember Nicks said he also likes how the addition comes out at an angle now and the textures and colors add interesting details. He asked if there will be a reception area at the Senior Center entrance and Mr. Zaudke said there will be an office at that entry with a window for service.

Councilmember Roh said he appreciates the collaborative efforts and thanked the team for listening to the suggestions that have been made. He hopes this project is so successful that more parking is needed. He asked about parking for City events and Mr. Wagler said there is plenty of on-street parking in Old Town.

Councilmember Sayers said she agreed with Councilmember Nicks that the wood detail and shift of the building really made a difference in the look. She really likes the fact that this creates a destination and a gathering space that connects to Old Town. She added that this is just what Old Town needs.

Councilmember Eiterich agreed with the other councilmembers.

Mayor Boehm inquired about the flow of traffic through and around the building, saying he felt there appears to be some landscaping that is in the way of moving from one side of the site to the other, making it feel like you have to go in and through the building even if you are not there to participate in any indoor activity. Mr. Wagler said that they will consider that in the final site design, which is still being worked on.

Councilmember Nolte said he thinks this is a good example of how someone can just enjoy a nice walk around the building, noting that every path does not have to be efficient and straight.

Councilmember Denny asked if the facility would be open during construction and Mr. Wagler said it would never be completely out of service with the exception of the AB Room. He said the plan is to get the Senior Center wing in place before demolishing the existing Senior building.

END OF RECORDED SESSION

BUSINESS FROM FLOOR

Craig Wood, 8602 Dice, said he has been a Lenexa resident for 37 years. He voiced his concerns about loud music and noise coming from the Grand Pavilion in Sar-Ko-Par Trails Park and asked that the City not allow noise to reach those loud levels in the future.

ADJOURN

Councilmember Nolte made a motion to adjourn and Councilmember Eiterich seconded the motion. Motion passed unanimously.

The meeting adjourned at 8:32 PM.

Proclamation

WHEREAS, Lenexa held the first Great Lenexa Barbeque Battle in 1982 at the urging of founders Pat Dalton and Alan Uhl; and

WHEREAS, it was designated The State Championship of Kansas by Governor John Carlin on April 27, 1984; and

WHEREAS, this event provides wholesome recreation and competition for barbeque enthusiasts; and

WHEREAS, hundreds of Lenexans are able to volunteer their talents towards making the contest a success; and

WHEREAS, this has become an important event to the City of Lenexa for the enjoyment of its residents and visitors; and

WHEREAS, this championship crowns seven meat category champions including: beef, pork, ribs, chicken, sausage, beefsteak, and miscellaneous; and one Grand Champion; and

WHEREAS, the 41st Great Lenexa Barbeque Battle will be held June 23-24, 2023; and

WHEREAS, this event brings to the City of Lenexa significant recognition and identification throughout the metropolitan area, the state of Kansas and the Nation.

NOW, THEREFORE, I, Michael A. Boehm, Mayor of Lenexa, Kansas do hereby proclaim the month of May in the City of Lenexa to be

LENEXA BARBEQUE MONTH

IN WITNESS WHEREOF, I have hereunto set my hand this 6th day of June, 2023.

Michael A. Boehm
Mayor of Lenexa, Kansas

LENEXA POLICE PROPOSAL (1 OF 2) LK1 & LK2 SCOPE IN MEN'S AND WOMEN'S LOCKER ROOMS

To Whom it may concern,

Tiffin Metal Products (TMP), in a materials only capacity, will supply a total of 225 Airflow wardrobe lockers. Units will be 24 inches wide at (12) ADA locations and (213) standard locations. Ea. locker will include either an extended (at 33 inches deep) or flush (at 24 inches deep) base drawer. Hardwood 9.5 inch deep bench tops will be provided in a mix of lengths to accommodate banks of lockers featuring the extended base drawers. Additionally, TMP will supply (1) ea. ADA bench for ea. room. Price includes modular plug and play components for 225 lockers that will supply power to ea. opening via a duplex. Proposal includes all necessary finishing trim to accommodate the locker types, filler needs and to close gap at top of lockers to the start of the drop down soffit. Trim encompasses (32) finished end panel locations, 9 filler locations and 134 plenum assembly components. This proposal amount excludes install by TMP's sub-tier contractor. Based on information provided by owner the LK1 and LK2 scope of lockers are to be installed as part of GC contract. TMP will support GC remotely with any technical information or guidance as needed throughout the execution of the install. Proposal amount is all encompassing for material supply and delivery. Freight requirement is for (4) FTLs (full truck loads) delivered to jobsite. Freight does not include offloading or any additional material handling of the product. Offloading labor and equipment is the responsibility of the receiving party.

TOTAL: \$299,430.00

Thank you for your consideration. The following pages include the line item quote and supplemental reference docs specific to the product.

Thursday, May 25, 2023

Notes: V2 applies deduct where possible.

V1 quote is for LK1 & LK2 types, 24W wardrobe w/ base drawer. Includes bench tops, ADA benches, finish trim and modular electrical components. Quote does not include installation. Separate scope from other locker types, coordination w/ GC.

Lead time: estimated at 12 weeks from approved submittal.

Freight: estimated at 4 FTLs (rate does not include offloading)

Ship to: 17333 Prairie Star Parkway Lenexa, KS 66219

FREIGHT DISCLAIMER: The freight rate estimated in this quotation is based on the current average rate on the date the quotation is generated. Due to volatility in the transport industry the referenced freight rate in this quotation is not a fixed cost throughout the duration of the order being processed prior to ship date and will be subject to change at the time of shipment. Tiffin Metal Products reserves the right to present to the customer an adjusted freight rate based on actual market prices at the time of shipment for approval. Alternatively, for any disapproved freight adjustments the shipment of goods will be care of the customer. Contact your Tiffin Metal Products sales representative for freight requirement details for your project.

Dealers/Sub/GC/customer should carefully review quotation as it is for items and quantities listed on the quote. Quote is based off of manufacturer's take off using projects documents supplied or made available. Final accuracy of the locker types, sizes, counts and acceptability per the project requirements is the responsibility of the quote recipient.

Accepted By: _____ **Date:** _____

Material Escalation Clause: If, during the quote phase through the project's material release lifecycle, the price of steel significantly increases, through no fault of Tiffin Metal Products, Co. (TMP), the current price of steel shall be equitably adjusted by an amount reasonably necessary to cover any such significant price increases. As used herein, a significant price increase shall mean any increase in price exceeding 10% for mild steel or 5% for stainless steel experienced by TMP. Such price increases shall be documented through adjusted quotes or order confirmations with supporting reference.

LIMITED WARRANTY

Tiffin Metal Products, Co. (TMP) warrants the good quality of the materials, workmanship and that its products are merchantable and fit for their intended purpose. This Limited Warranty for the Sentinel ® Locker Line expires of five (5) years after the date of product purchase. TMP does not provide any other express or implied warranties of any kind or nature. There are no warranties which extend beyond the description on the face of this Limited Warranty. The terms, conditions and operations of this Limited Warranty are available upon request prior to purchase.

LENEXA POLICE PROPOSAL (2 OF 2) OTHER LOCKER SCOPES - BROKEN OUT BY TYPE FOR SUPPLY AND INSTALL. (INSTALL RATE IS ALL ENCOMPASSING FOR THESE SCOPES, EA. LOCKER TYPE INCLUDES A PORTION OF THAT RATE AS A ROUGH ESTIMATE FOR EA. TYPE)

To Whom it may concern,

Tiffin Metal Products (TMP), in a supply and install capacity, proposes the following by locker type.

LK4 DUTY BAG LOCKERS @ HALL 1008, PLAN A1.11A/ELEVATION A4.53
Supply and Install (38) 3-tier lockers at 24W x 36D x 72H. Tiers are made up of 2 upper doors and 1 lower drawer. Excludes metal base. Installed on top of concrete base by others. Ea. opening is secured via a Keyed lock. Includes recess trim at sides and along top of the bank of lockers.

TOTAL: \$68,197

LK5 PASS-THRU EVIDENCE LOCKERS @ OFFICER BAG & TAG 1411 PLAN VIEWS A1.11B, A1.11C & A4.14, ELEVATION A4.14

Supply and install (7) pass-thru evidence lockers including bases and recess trim at both front and rear sides of bank. Units consist of (1) 4-door, (1) 5-door, (1) 9-door, (1) 11-door, (1) 12-door, (1) 14-door and (1) 10-door configurations. The 10-door unit includes an integral evidence refrigerator w/ a 6-door insert. Base price is based on mechanical locks. All dry openings feature the Keyless Lift Latch lock type whereas the refrigerated insert openings will have the Keyed w/ key Drop lock type. Framing and finish of required dimensions for rough opening is the responsibility of the GC. TMP to provide guidance of optimal rough opening at time of submittals.

TOTAL: \$36,952

HONOR GUARD LOCKERS AT 1626

Supply and install (10) 24 inch wide Airflow wardrobe lockers w/ extended base drawers and bench top. Includes finished end panels at 2 locations. Excludes electrical components, slope tops and plenum trim.

TOTAL: \$14,938

Thank you for your consideration. The following pages include the line item quote. Additional information or clarification available upon request.

RE: Terms for the Lenexa Police Department project

Attn: City Officials

Tiffin Metal Products (TMP) extends net 30 terms when selling direct to government agencies. Specific to the Lenexa PD project TMP would continue to honor those terms with one exception if the city is able to accommodate. Due to the size of the project and that it will either include or have the potential to include scopes from 3rd party vendors like installation and software/electronics, we would request the opportunity to invoice for a progress payment not to exceed \$50,000. This progress payment invoice would be issued once the locker scope is released in its entirety to production which would occur once we have final signed off/approved submittals.

Please advise if you have any questions or concerns.

Thank you,

Sentinel® Locker

Manufacturer's Limited Warranty

Lenexa Police Dept. Project

Tiffin Metal Products Co. (TMP Co.) thanks you for your purchase of Sentinel® Lockers, which are backed up under the terms of this Limited Warranty.

5-YEAR LIMITED WARRANTY: TMP Co. warrants its lockers against defects in materials or workmanship for a period of five (5) years. The warranty period begins on the date Lenexa Police personnel take possession of the building where the lockers are installed. ~~Installation of the lockers is completed, but in no event later than 90 days from the date of the original purchase from TMP Co.~~ This Limited Warranty is assignable by the original purchaser of the lockers to the owner of the facilities in which the lockers are installed.

In its sole discretion, TMP Co. will repair or replace any lockers that become defective through normal use during the warranty period. TMP Co. reserves the right to substitute similar lockers or replacement parts if the original lockers or parts are no longer available. In the first year of the Limited Warranty period, labor is included as a covered cost. After the first year of the Limited Warranty, all field and installation labor costs incurred by TMP Co. will be charged at the then prevailing rate.

TMP Co. reserves the right to reasonable field access to inspect and/or repair any lockers alleged to be defective. This Limited Warranty does not cover damage due to acts of God, improper installation or maintenance, misuse or abuse of the lockers in the field, or field modifications to any part of the lockers.

THIS LIMITED WARRANTY AND THE REMEDIES HEREIN ARE EXCLUSIVE AND TMP CO. MAKES NO OTHER WARRANTY, EITHER EXPRESSED OR IMPLIED, REGARDING THE LOCKERS, OR THEIR SELECTION AND APPLICATION, INCLUDING BUT NOT LIMITED TO COMPLIANCE WITH LAWS AND REGULATIONS, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

LIMITATION OF LIABILITY: Repair or replacement of any defective lockers, or refund of the purchase price of the lockers in the event that TMP Co., in its sole discretion, determines that repair or replacement is not feasible, is the exclusive remedy available under this Limited Warranty. Any liability of TMP Co. under this Limited Warranty shall not exceed the purchase price for the affected lockers. IN NO EVENT WILL TMP CO. BE LIABLE FOR SPECIAL, PUNITIVE, INCIDENTAL, CONSEQUENTIAL OR LIQUIDATED DAMAGES, OR FOR ANY DELAYS IN THE PERFORMANCE OF THIS WARRANTY DUE TO CIRCUMSTANCES BEYOND THE REASONABLE CONTROL OF TMP CO.

If any provision of this Limited Warranty is determined to be invalid, illegal or otherwise unenforceable for any reason, it will be deemed amended the minimum amount necessary to permit its enforcement.

Terms & Conditions

Terms: All new customers are required to pay 50% down and balance due prior to install. Residential customers, personal trainers, and orders for resale, require 100% payment before the order can be placed. All other terms and credit lines are subject to credit approval. Invoice will be due and payable, based on the original requested installation date, unless Advanced Exercise is notified in writing 60 days prior to the requested installation date with a change of the installation date. We accept checks, money orders, ACH and credit cards (under \$2000). A late payment fee will be assessed at a rate of 1.5% (18% annual) per month on any unpaid balance remaining 30 days after the due date. Special Orders: A 100% prepayment is required for all customized products including but not limited to custom colors, sports flooring and products with logos such as plates, dumbbells and platforms.

Return Policy: Any returns require approval in writing by Advanced Exercise Project Management. A minimum 25% restocking fee, plus freight, will be incurred for all non-custom products returned. Customized products are nonreturnable. All products with color choices are defined as custom products.

Bolt Down Requirements: Life Fitness recommends that all strength training equipment be secured to the floor in order to prevent tipping, rocking or displacement which might occur in the event of unanticipated use of the equipment. Life Fitness requires that certain strength training equipment (specifically the Synrgy 360 90, T, XS, XM, HD Elite Half Rack/Short Base, Athletic Series Rigs, Athletic Series Racks with Wing option, Cybex PWR Play, Synrgy Outdoor BlueSky and other products to be used for body weight strap training) be secured to the floor. In the case of Synrgy 360S, T, XS, XM and the Elite HD Half Rack Short Base, the customer acknowledges:

- Customer has determined the proper placement of the equipment to be secured. **Customer Initial** _____
- Customer has identified and informed Advanced Exercise of the location of any utility, service lines, including but not limited to post tension cables. It is the customer's responsibility to identify the locations of any cables or lines prior to installation. **Customer Initial** _____
- Customer has confirmed that the subfloor consists of no less than 4.75 inches of concrete. (Synrgy Outdoor BlueSky requires a minimum 4.5 inches of concrete **Customer Initial** _____)
- Customer has obtained any and all consents to the drilling of holes in the flooring and subflooring. **Customer Initial** _____

If your order includes any of the equipment requiring bolting to the floor, initials are required above and an additional signed waiver will be required to place the order. Additional products may require bolting to the floor, wall or ceiling. Bolting is not included on these products unless otherwise noted on the quotation. Customer is responsible for bolting these products to meet the manufacturer's requirements. This includes TRX, Core Energy, Boxing mounts and other products that require bolting to the facility structure.

Wall & Ceiling Attached Items: The installation of any items such as TRX Multi Mounts., X Mounts, Wall Mat Racks, etc. that require bolting to walls or ceilings are not included in the proposal unless otherwise noted.

Flooring Installation: Refer to the product specifications to ensure that the sub floor meets the material installation requirements. Freight offloading, inside delivery, adhesive, moisture tests, moisture reducers, base boards, sub floor prep, sub floor cleaning, transition strips and existing floor removal and disposal are not included unless otherwise noted on the quotation.

Storage: We reserve the right to assess storage fees not to exceed 1.5% per month, or fraction thereof and request payment in full on the related customer's invoice, when a customer's original requested delivery date is delayed by circumstances beyond our control.

Taxes: We collect sales or use taxes only in jurisdictions where we are licensed to do so. Customer agrees to accept sole liability and responsibility to pay for any and all uncollected sales or use tax liabilities, related penalties and interest that arise as a result of the purchase of products and/or services from our company.

Security: Until all products are paid in full, customer hereby grants to, and Advanced Exercise shall retain, a security interest in and lien on all products sold to the customer.

I accept the terms and conditions of this quote.

Date: _____ **Customer Requested Install Date:** _____

Securing Strength Product Acknowledgment

Pursuant to P.O./Quote _____, you have purchased certain pieces of our strength training equipment (the "Order").

Please respond to Sections 1 and 2 as appropriate.

1. We **recommend** that all strength training equipment be secured to the floor in order to prevent any tipping, rocking or displacement of the equipment which may occur during the use or misuse of the equipment.

Does your order include strength training equipment in this category? Please acknowledge below:

- ☐ Yes
- ☐ No (*Continue to Section 2*).

You acknowledge that we offer a secure-to-floor service for a minimal additional charge. Please acknowledge below:

- ☐ You are **electing** the secure-to-floor add-on service. (*Continue to Section 2 and see conditions contained in Section 3*).
- ☐ You are **declining** the secure to floor add-on service. (*Continue to Section 2*).

2. We **REQUIRE** that certain units of strength training equipment be secured to the floor (see Appendix 1 attached hereto) in accordance with Life Fitness's specifications.

Does your order include strength training equipment in this category? Please acknowledge below:

- ☐ Yes
- ☐ No (*Continue to Section 3*).

Delivery and installation (including both assembly and floor anchoring) options. Please acknowledge below:

- ☐ **LIFE FITNESS.**
- ☐ **WILL CALL** pick up (FOB origin), delivery and installation by your chosen freight team.
- You agree that you will be entirely responsible for all of the actions or inactions of your freight and installation designate from the date and place of the Will Call pick up. You agree that you will indemnify, defend and hold Life Fitness entirely harmless from any and all injuries or losses arising from or due to (a) freight damage, (b) damage to property, (c) any personal injuries (up to and including death), and (d) any economic losses (including lost profits or other incidental damages) which may arise due to any transportation mishap, any faulty installation, any failure to secure the equipment to the floor, use of a bolt different from the one Life Fitness recommends or any other action of your freight and installation designate.

- ☐ **ALTERNATIVE INSTALLATION** designed by a licensed structural engineering firm (*specify below*) and installed by a licensed contractor, both selected by you.

_____ (*insert name of licensed structural engineering firm*).

- You represent and warrant that all Life Fitness equipment will be installed in accordance with manufacturer's specifications and in accordance with approved drawings by a licensed engineer. You agree that you will be entirely responsible for all of the actions or inactions of your design and installation teams. You agree that you will indemnify, defend and hold Life Fitness entirely harmless from any and all injuries or losses arising from or due to (a) damage to property, (b) any personal injuries (up to and including death), and (c) any economic losses (including lost profits or other incidental damages) which may arise due to any faulty design, any faulty installation, or any failure to secure the equipment in accordance with Life Fitness specifications.
3. You understand that securing the equipment to the floor will result in holes in, and alterations to, the flooring and subflooring materials and:
- (a) You have determined the proper placement of the equipment to be secured;
 - (b) You have informed us and our third-party installation provider of the placement of utility and service lines in the floor;
 - (c) You have informed us and our third-party installation provider of the substance of the flooring;
 - (d) You have confirmed that subflooring consists of no less than 4.0 inches (10 centimeters) of concrete;
 - (e) You have obtained any and all necessary consents to the drilling of holes in the flooring and subflooring; and
 - (f) Any failure of the foregoing, which prevents Life Fitness from installing the equipment in accordance with our installation requirements, will incur a restocking fee of twenty percent (20%) of the equipment's purchase price.

You agree that you will be entirely responsible for, and you will indemnify and hold us and our third party installation provider entirely harmless from, any and all claims of injuries or losses (including, without limitation, (i) damage to property, (ii) any personal injuries (up to and including death), or (iii) any economic losses (including lost profits or other incidental damages)) which may occur arising from any inaccuracies in the provision of information in (a) through (e) above.

4. Please acknowledge acceptance of the terms set forth in this Acknowledgment by signing in the space below and returning it to us for our files. By signing below, you represent that you have all power and authority necessary to enter into this Acknowledgment on behalf of the named "BILL TO" and "SHIP TO" Customer.

ACKNOWLEDGED BY CUSTOMER:

 - iii. Synrgy360 XS with 4 Cables Columns (FXTX-CCCC).
 - iv. Synrgy360 T when connected to the Multi Jungle Core (MJ-CORE) with a Synrgy360T-Multi Jungle Storage Connector (FXTT-MJ) and at least 1 Multi-Jungle Station (MJ__ -STA) containing a weight stack.
 - v. Any combination of 4 Synrgy90/Synrgy360/Multi-Jungle Core units connected with 4 Synrgy Cable Crossover Connectors (FXT-BM) in a square configuration.
2. All Synrgy90 units.
 - a. Exception: (See line 1.a.v. listed above.)
3. All Multi-Jungle units with fewer than 3 stations containing a weight stack per Core (MJ-CORE).
 - a. Exception: (See line 1.a.v. listed above.)
4. All Life Fitness S3 units (SYN-S3CORE, SYN-S3ADD).
5. All Synrgy180 & Synrgy180P units (S180-CORE, S180-ADD, S180P)
 - a. Exceptions:
 - i. Synrgy180 with the addition of the Synrgy180 Freestanding System (S180-AFSA, S180-AFSAQ, S180-AFSC, S180-AFSCQ)
 - ii. Synrgy180P with the addition of the Synrgy180 Freestanding System (S180P-AFS).

Cybox strength products:

6. All PWR Play units that included the Boxing with Suspension Training Station (PP-BX).
7. All PWR Play units with fewer than 3 stations containing a weight stack per Core (PP-CORE).
 - a. Exception:
 - i. A PWR Play unit comprising of 2 PWR Play Cores connected with the Storage Connector (PP-SX) and having 1 PWR Play station (PP-__) containing a weight stack.
8. All Structure Racks with a WING attachment (ST-WING42, ST-WING72).

Hammer Strength products:

9. All HD Athletic Pro Rig units.
10. All HD Athletic Pro Perimeter units.
11. All HD Athletic Pro Single Bridge units (HDT-BR4).
12. All HD Athletic Pro or NX Racks with a WING attachment (HDT-WING42, HDT-WING72).
13. All HD Athletic & HD Elite iD racks with Lightning Arms (HDU-LTNG).
 - a. Exception: HD Combo Rack with 2 weight stacks on the backside of the combo rack.
14. HD Athletic NX Power Rack (HDW-PR)
 - a. Exception: When ordered with the Weight Plate Storage Uprights option.
15. HD Athletic NX Half-Half Combo Rack (HDW-HHCR)
 - a. Exception: When ordered with the Stability Feet option.
16. HD Athletic NX Power-Half Combo Rack (HDW-PHCR)
 - a. Exception: When ordered with the Stability Feet option.
17. All HD Elite iD racks with a WING or BALLISTIC WING (ELT-PUBW)
18. HD Elite iD Half-Half Combo Rack (ELT-HHCR)
 - a. Exception: When ordered with the Stability Feet option.
19. HD Elite iD Power-Half Combo Rack (ELT-PHCR)
 - a. Exception: When ordered with the Stability Feet option.
20. HD Elite iD Half-Half Combo Rack (ELT-HHCR) with 5 Bull Horn Storage Option
 - a. Exception: Connected to at least one other Combo Rack with a Rack Connector (ELT-RCSQ)

21. All HD Elite Power Racks (HDLPR) with a WING attachment (HDLWING-PR).
22. All HD Elite Half Rack Short Base units (HLDHRS).
 - a. Exception: HD Elite Half Rack Short Base Combo units with corresponding unit on the backside that contains a combined total weight stack of at least 600 pounds (300 kilograms).

General strength products:

23. All other strength products to be used for body weight suspension training (not listed above).
(Note, these products have not been designed for use with Suspension Training Devices or any other devices not provided with the product, for pulling or pushing on the equipment. The use of those devices may compromise the stability of these units.)
 - a. Exceptions:
 - i. Hammer Strength HD Athletic Double Bridge units (HDT-BR14).
 - ii. Hammer Strength HD Athletic Triple Bridge units (HDT-BR24).

The above "Exceptions" provide sufficient mass, footprint and/or stabilization to permit the full utilization (which may include body weight suspension training) without the requirement of being secured to the floor.

WARNING:

YOU UNDERSTAND THAT IF THESE UNITS ARE SEPARATED AND/OR RECONFIGURED, THEIR STABILITY WILL BE COMPROMISED AND THE SEPARATED UNITS WILL CREATE A SIGNIFICANT RISK OF SERIOUS INJURY UNLESS THE UNITS ARE SECURELY FASTENED TO THE FLOOR.

Terms & Conditions

Terms: All new customers are required to pay 50% down and balance due prior to install. Residential customers, personal trainers, and orders for resale, require 100% payment before the order can be placed. All other terms and credit lines are subject to credit approval. Invoice will be due and payable, based on the original requested installation date, unless Advanced Exercise is notified in writing 60 days prior to the requested installation date with a change of the installation date. We accept checks, money orders, ACH and credit cards (under \$2000). A late payment fee will be assessed at a rate of 1.5% (18% annual) per month on any unpaid balance remaining 30 days after the due date. Special Orders: A 100% prepayment is required for all customized products including but not limited to custom colors, sports flooring and products with logos such as plates, dumbbells and platforms.

Return Policy: Any returns require approval in writing by Advanced Exercise Project Management. A minimum 25% restocking fee, plus freight, will be incurred for all non-custom products returned. Customized products are nonreturnable. All products with color choices are defined as custom products.

Bolt Down Requirements: Life Fitness recommends that all strength training equipment be secured to the floor in order to prevent tipping, rocking or displacement which might occur in the event of unanticipated use of the equipment. Life Fitness requires that certain strength training equipment (specifically the Synrgy 360 90, T, XS, XM, HD Elite Half Rack/Short Base, Athletic Series Rigs, Athletic Series Racks with Wing option, Cybex PWR Play, Synrgy Outdoor BlueSky and other products to be used for body weight strap training) be secured to the floor. In the case of Synrgy 360S, T, XS, XM and the Elite HD Half Rack Short Base, the customer acknowledges:

- Customer has determined the proper placement of the equipment to be secured. **Customer Initial** _____
- Customer has identified and informed Advanced Exercise of the location of any utility, service lines, including but not limited to post tension cables. It is the customer's responsibility to identify the locations of any cables or lines prior to installation.

Customer Initial _____

- Customer has confirmed that the subfloor consists of no less than 4.75 inches of concrete. (Synrgy Outdoor BlueSky requires a minimum 4.5 inches of concrete **Customer Initial** _____)
- Customer has obtained any and all consents to the drilling of holes in the flooring and subflooring. **Customer Initial** _____

If your order includes any of the equipment requiring bolting to the floor, initials are required above and an additional signed waiver will be required to place the order. Additional products may require bolting to the floor, wall or ceiling. Bolting is not included on these products unless otherwise noted on the quotation. Customer is responsible for bolting these products to meet the manufacturer's requirements. This includes TRX, Core Energy, Boxing mounts and other products that require bolting to the facility structure.

Wall & Ceiling Attached Items: The installation of any items such as TRX Multi Mounts., X Mounts, Wall Mat Racks, etc. that require bolting to walls or ceilings are not included in the proposal unless otherwise noted.

Flooring Installation: Refer to the product specifications to ensure that the sub floor meets the material installation requirements. Freight offloading, inside delivery, adhesive, moisture tests, moisture reducers, base boards, sub floor prep, sub floor cleaning, transition strips and existing floor removal and disposal are not included unless otherwise noted on the quotation.

Storage: We reserve the right to assess storage fees not to exceed 1.5% per month, or fraction thereof and request payment in full on the related customer's invoice, when a customer's original requested delivery date is delayed by circumstances beyond our control.

Taxes: We collect sales or use taxes only in jurisdictions where we are licensed to do so. Customer agrees to accept sole liability and responsibility to pay for any and all uncollected sales or use tax liabilities, related penalties and interest that arise as a result of the purchase of products and/or services from our company.

Security: Until all products are paid in full, customer hereby grants to, and Advanced Exercise shall retain, a security interest in and lien on all products sold to the customer.

I accept the terms and conditions of this quote.

Note 1:
All quoted taxes are estimated. Any applicable taxes, fees, permits, etc. must be added to this quote.

Note 2:
Where installation is listed on quote it is based in non-union labor and on one trip for installation only. Client is responsible for coordination of Technicians and other Vendors/Contractors. Waiting time will be charged at the rate of \$75 per man hour straight time and \$115 per man hour for OT plus subsistence expenses.

We appreciate this opportunity to provide this quote. Our goal is to substantially improve working conditions for your valuable staff. We look forward to meeting with you to review this proposal in detail. In the meantime please don't hesitate to call us with any questions.

PURCHASE AGREEMENT

This Purchase Agreement (together with all attachments referenced herein, the "Agreement"), made and entered into by and between CONRAD FIRE EQUIPMENT, INC ("Company"), and CITY OF LENEXA, KS ("Customer") is effective as of the date specified in Section 3 hereof.

1. Definitions.

- a. **"Product"** means the fire apparatus and any associated equipment manufactured or furnished for the Customer by Company pursuant to the Specifications.
- b. **"Specifications"** means the general specifications, technical specifications, training, and testing requirements for the Product contained in the Company Proposal for the Product prepared in response to the Customer's request for proposal.
- c. **"Company Proposal"** means the proposal provided by Company attached as Exhibit C prepared in response to the Customer's request for proposal.
- d. **"Delivery"** means the date Company transfers physical possession of the Product available to the Customer.
- e. **"Acceptance"** The Customer shall have the opportunity, as described in Section 8(b) below, to inspect the Product for substantial conformance with the material Specifications as set forth in the Company Proposal; unless Company receives a Notice of Non-Conformance within the time frame described in Section 8(b), the Product will be deemed to be in conformance with the Specifications and accepted by the Customer.

2. Purpose. This Agreement sets forth the terms and conditions of Company's sale of the Product to the Customer.

3. Term of Agreement. This Agreement will become effective on the date it is signed and approved by both Customer and Company ("Effective Date") and, unless earlier terminated pursuant to the terms of this Agreement, it will terminate upon the Customer's Acceptance and payment in full of the Purchase Price.

4. Purchase and Payment. The Customer agrees to purchase the Product pursuant to the terms as specified on Exhibit A for the total purchase price of \$ 1,147,124.37 ("Purchase Price"). Prices are in U.S. funds.

5. Future Changes. Various state or federal regulatory agencies (e.g. NFPA, DOT, EPA) may require changes to the Specifications and/or the Product and in any such event any resulting cost increases incurred to comply therewith will be added to the Purchase Price to be paid by the Customer. In addition, any future drive train upgrades (engine, transmission, axles, etc.), or any other specification changes have not been calculated into our annual increases and will be provided at additional cost. To the extent practicable, Company will document and itemize any such price increases for the Customer.

6. Agreement Changes. The Customer may request that Company incorporate a change to the Products or the Specifications for the Products by delivering a change order to Company; provided, however, that any such change order must be in writing and include a description of the proposed change sufficient to permit Company to evaluate the feasibility of such change ("Change Order"). Within [seven (7) business days] of receipt of a Change Order, Company will inform the Customer in writing of the feasibility of the Change Order, the earliest possible implementation date for the Change Order, of any increase or decrease in the Purchase Price resulting from such Change Order, and of any effect on production scheduling or Delivery resulting from such Change Order. Company shall not be liable to the Customer for any delay in performance or Delivery arising from any such Change Order. A Change Order is only effective when counter-signed by Company's authorized representative.

7. Cancellation/Termination. In the event this Agreement is cancelled or terminated by a party before completion, Company may charge a cancellation fee. The following charge schedule based on costs incurred may be applied: (a) 10% of the Purchase Price after order is accepted and entered by Company; (b) 20% of the Purchase Price after completion of approval drawings, and; (c) 30% of the Purchase Price upon any material requisition. The cancellation fee will increase accordingly as costs are incurred as the order progresses through engineering and into manufacturing. Company endeavors to mitigate any such costs through the sale of such Product to another purchaser; however, Customer shall remain liable for the difference between the Purchase Price and, if applicable, the sale price obtained by Company upon sale of the Product to another purchaser, plus any costs incurred by Company to conduct any such sale.

8. Delivery, Inspection and Acceptance. (a) Delivery. Delivery of the Product is scheduled to be within 43 months of the Effective Date of this Agreement. The Customer is responsible for taking delivery of product directly from the Company and risk of loss transfers to the Customer upon an authorized Customer representative acknowledging product delivery. (b) Inspection and Acceptance. Upon Delivery, Customer shall have fifteen (15) days within which to inspect the Product for substantial conformance to the material Specifications as set forth in the Company Proposal, and in the event of substantial non-conformance to the material Specifications to furnish Company with written notice sufficient to permit Company to

evaluate such non-conformance ("Notice of Non-Conformance"). Any Product not in substantial conformance to material Specifications of the Proposal shall be remedied by Company within thirty (30) days from the Notice of Non-Conformance. In the event Company does not receive a Notice of Non-Conformance within fifteen (15) days of Delivery, Product will be deemed to be in conformance with Specifications of the Proposal and accepted by Customer.

9. Notice. Any required or permitted notices hereunder must be given in writing at the address of each party set forth below, or to such other address as either party may substitute by written notice to the other in the manner contemplated herein, by one of the following methods: hand delivery; registered, express, or certified mail, return receipt requested, postage prepaid; or nationally-recognized private express courier:

Company:

Conrad Fire Equipment, Inc.
19922 W 162nd St.
Olathe, Kansas 66062

Customer:

CITY OF LENEXA
17101 W 87TH ST PKWY
LENEXA, KS 66219

10. Standard Warranty. Any express or implied manufacturer warranties are made a part hereof and the warranties attached hereto as Exhibit B extend fully to the Customer and are further assigned to the CITY OF LENEXA. Any additional warranties must be expressly approved in writing by Company's authorized representative.

a. Disclaimer. OTHER THAN AS EXPRESSLY SET FORTH IN THIS AGREEMENT, NEITHER COMPANY, ITS PARENT COMPANY, AFFILIATES, SUBSIDIARIES, THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, SHAREHOLDERS, AGENTS OR REPRESENTATIVES, MAKE ANY EXPRESS OR IMPLIED WARRANTIES WITH RESPECT TO THE PRODUCTS PROVIDED HEREUNDER OR OTHERWISE REGARDING THIS AGREEMENT, WHETHER ORAL OR WRITTEN, EXPRESS, IMPLIED OR STATUTORY. WITHOUT LIMITING THE FOREGOING, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, THE IMPLIED WARRANTY AGAINST INFRINGEMENT, AND THE IMPLIED WARRANTY OR CONDITION OF FITNESS FOR A PARTICULAR PURPOSE BY COMPANY ARE EXPRESSLY EXCLUDED AND DISCLAIMED.

b. Exclusions of Incidental and Consequential Damages. In no event shall Company be liable for consequential, incidental or punitive damages incurred by Customer or any third party in connection with any matter arising out of or relating to this Agreement, or the breach thereof, regardless of whether such damages arise out of breach of warranty, tort, contract, strict liability, statutory liability, indemnity, whether resulting from non-delivery or from Company's own negligence, or otherwise.

11. Force Majeure. Company shall not be responsible nor deemed to be in default on account of delays in performance due to causes which are beyond Company's control which make Company's performance impracticable, including but not limited to civil wars, insurrections, strikes, riots, fires, storms, floods, other acts of nature, explosions, earthquakes, accidents, any act of government, delays in transportation, inability to obtain necessary labor supplies or manufacturing facilities, allocation regulations or orders affecting materials, equipment, facilities or completed products, failure to obtain any required license or certificates, acts of God or the public enemy or terrorism, failure of transportation, epidemics, quarantine restrictions, failure of vendors (due to causes similar to those within the scope of this clause) to perform their contracts or labor troubles causing cessation, slowdown, or interruption of work.

12. Default. The occurrence of one or more of the following shall constitute a default under this Agreement: (a) the Customer fails to pay when due any amounts under this Agreement or to perform any of its obligations under this Agreement; (b) Company fails to perform any of its obligations under this Agreement; (c) either party becomes insolvent or become subject to a bankruptcy or insolvency proceedings; (d) any representation made by either party to induce the other to enter into this Agreement is false in any material respect; (e) the Customer dissolves, merges, consolidates or transfers a substantial portion of its property to another entity; or (f) the Customer is in default or has breached any other contract or agreement with Company.

13. Manufacturer's Statement of Origin. It is agreed that the manufacturer's statement of origin ("MSO") for the Product covered by this Agreement shall remain in the possession of Company until the entire Purchase Price has been paid. If more than one Product is covered by this Agreement, then the MSO for each individual Product shall remain in the possession of Company until the Purchase Price for that Product has been paid in full. In case of any default in payment, Company may take full possession of the Product, and any payments that have been made shall be applied as payment for the use of the Product up to the date of taking possession.

14. Independent Contractors. The relationship of the parties established under this Agreement is that of independent contractors and neither party is a partner, employee, agent, or joint venture of or with the other.

15. Assignment. Neither party may assign its rights and obligations under this Agreement unless otherwise stated herein or it has obtained the prior written approval of the other party.

16. Governing Law; Jurisdiction. Without regard to any conflict of law provisions, this Agreement is to be governed by and under the laws of the state of KANSAS.

17. Facsimile Signatures. The delivery of signatures to this Agreement by facsimile transmission shall be binding as original signatures.

18. Entire Agreement. This Agreement shall be the exclusive agreement between the parties for the Product. Additional or different terms proposed by the Customer shall not be applicable, unless accepted in writing by Company's authorized representative. No change in, modification of, or revision of this Agreement shall be valid unless in writing and signed by Company's authorized representative.

19. Conflict. In the event of a conflict between the Customer Specifications and the Company Proposal, the Company Proposal shall control. In the event there is a conflict between the Company Proposal and this Agreement, the Company Proposal shall control.

BASIC ORIENTATION TRAINING WILL BE PROVIDED BY **CONRAD FIRE EQUIP.**

Trade-in Credit:

N/A

Pre-payment discount:

N/A

Payment Terms:

FULL PAYMENT WILL BE MADE AT TIME OF PRODUCT DELIVERY AND \$1,147,124.37 WILL BE DUE AT THAT TIME.

[NOTE: If deferred payment arrangements are required, the Customer must make such financial arrangements through a financial institution acceptable to Company.] All taxes, excises and levies that Company may be required to pay or collect by reason of any present or future law or by any governmental authority based upon the sale, purchase, delivery, storage, processing, use, consumption, or transportation of the Product sold by Company to the Customer shall be for the account of the Customer and shall be added to the Purchase Price. All delivery prices or prices with freight allowance are based upon prevailing freight rates and, in the event of any increase or decrease in such rates, the prices on all unshipped Product will be increased or decreased accordingly. Delinquent payments shall be subject to a carrying charge of 1.5 percent per month or such lesser amount permitted by law. Company will not be required to accept payment other than as set forth in this Agreement. However, to avoid a late charge assessment in the event of a dispute caused by a substantial nonconformance with material Specifications (other than freight), the Customer may withhold up to five percent (5%) of the Purchase Price until such time that Company substantially remedies the nonconformance with material Specifications, but no longer than sixty (60) days after Delivery. If the disputed amount is the freight charge, the Customer may withhold only the amount of the freight charge until the dispute is settled, but no longer than sixty (60) days after Delivery. Company shall have and retain a purchase money security interest in all goods and products now or hereafter sold to the Customer by Company or any of its affiliated companies to secure payment of the Purchase Price for all such goods and products. In the event of nonpayment by the Customer of any debt, obligation or liability now or hereafter incurred or owing by the Customer to Company, Company shall have and may exercise all rights and remedies of a secured party under Article 9 of the Uniform Commercial Code (UCC) as adopted by the state of KANSAS.

THIS PURCHASE DETAIL FORM IS EXPRESSLY SUBJECT TO THE PURCHASE AGREEMENT TERMS AND CONDITIONS BETWEEN COMPANY AND CUSTOMER, WHICH TERMS AND CONDITIONS ARE HEREBY INCORPORATED IN, AND MADE PART OF, THIS PURCHASE DETAIL FORM AS THOUGH EACH PROVISION WERE SEPARATELY SET FORTH HEREIN, EXCEPT TO THE EXTENT OTHERWISE STATED OR SUPPLEMENTED BY COMPANY HEREIN.
