RE: Donation of Bench and Plaque

The Parks and Recreation Department has been offered the donation of a bench at Black Hoof Park with a plaque.

This request is from Ms. Taylor Reece to donate a new bench at Black Hoof Park. Ms. Reece chose this location for its quiet and peaceful atmosphere, as it reminds her of the sense of peace her daughter once brought her. This bench will be on the trail below the dam looking toward the spillway.

The total value of the donation is \$1,300, which includes installation by the Parks Department of the bench, concrete pad, and a honey bronze plaque. The attached picture shows the bench location.

As per policy, the requested wording for the plaque is:

In Loving Memory of
Katherine Reece

I recommend acceptance of this donation. Thank you.
