RE: Donation of Bench, Plaque, and Bicycle Repair Station

The Parks and Recreation Department has been offered the donation of a bench with memorial plaque and bicycle repair station along Santa Fe Trail Drive.

This request is from Mr. Paul Greeley to donate a new bench and bicycle repair station along Santa Fe Trail Drive in honor of Jim Wedeking, a long-time Lenexa resident & dedicated community volunteer. Jim was an avid cyclist who participated in numerous fundraising cycling events and enjoyed riding on a daily basis. The addition of a bike repair station will serve as a lasting tribute to Jim's passion for cycling while providing a valuable amenity for trail users.

The memorial bench and bicycle repair station will be installed along the new Santa Fe Trail Drive trail in the area near the USPS mailboxes, as shown in the attached location map.

The total value of the donation is \$3,900, which includes installation by the Parks Department of the bench, concrete pad, and a honey bronze plaque as well as the bicycle repair station.

As per policy, the requested wording for the plaque is:

Jim Wedeking
Husband, Father, Grandfather, & Great Grandfather
Passionate bicyclist, loved nature, and all pets & Tobi too!

I recommend acceptance of this donation. Thank
