RE: Adoption of a Tree and Plaque

The Parks and Recreation Department has been offered the adoption of a tree at Black Hoof Park with a plaque.

Mrs. Mari Schieber wishes to adopt a Redbud tree at Black Hoof Park in honor of her granddaughter, Lily. The selected tree overlooks the lake, where lily pads cover a portion of the water, serving as a meaningful reminder of Lily. The family feels the Redbud tree's beautiful spring blooms symbolize hope and renewal, making it a fitting tribute to Lily and a special place for Mrs. Schieber and her family to reflect and remember her.

The total value of the adoption is $350.00, which includes the installation of the honey bronze plaque by Parks staff.

The attached picture shows the location of the tree at Black Hoof Park.

As per policy, requested wording for the plaque is:

In Loving Memory of
Lily Emerson Schieber
Our Little Angel
Forever Loved, Forever Missed

I recommend acceptance of this adoption. Please contact me with questions or comments. Thank you.

RE: Donation of Bench and Adoption of Tree with Plaque

The Parks and Recreation Department has been offered the donation of a bench and adoption of tree at Sar-Ko-Par Trails Park with plaques for each.

This request is from Donna Keele to donate a new memorial bench and adopt a tree at Sar-Ko-Par Trails Park in honor of her son, who was a victim of a bicycle accident. Mrs. Keele selected Sar-Ko-Par Park as a place to reflect and remember the family picnics and cherished memories they shared together. The memorial bench is proposed to be located beneath the adopted tree along the trail, overlooking the woodlands and creek near 87th Street.

The total value of the donation is $1,650, which includes the installation by the Parks Department of the bench, concrete pad, and two honey bronze plaques.

The attached picture shows the bench location at Sar-Ko-Park Trails Park.

As per policy, requested wording for the plaque is:

Benjamin Ray O'Toole
In Our Hearts Always

I recommend acceptance of this donation. Thank you.
