GENERAL ELECTION: TUESDAY, NOV. 4

VOTE ON CITY COUNCIL SEATS IN EACH WARD THIS FALL

This fall's general election — set for Tuesday, Nov. 4 — will give voters the opportunity to choose leaders for state and city governments, school boards and other public offices. One seat in each of Lenexa's City Council wards is up for election this year. The candidates are (incumbents noted with *):

WARD 1 John Michael Handley*, Joe Shull

WARD 2 Bill Nicks*, Nicole Wasson

WARD 3 Avery Bell, Corey Hunt

WARD 4 Craig K. Denny*

KEY ELECTION DATES

OCT 14 Deadline to register to vote in the General Election. There are several ways you can submit your application, outlined at JoCoElection.org/Registration.

OCT 25 In-person advance voting begins. Advance voting locations are open Saturdays (Oct. 25 and Nov. 1) from 9 a.m. to 3 p.m. and weekdays (Oct. 27–31) from 9 a.m. to 7 p.m. Limited advance voting locations will be open Nov. 3 from 8 a.m. to noon. Find a list of locations at JoCoElection.org.

OCT 28 Last day to apply for a mail ballot. Apply at Voter.JoCoElection.org.

NOV 4 Election Day. Polls are open 7 a.m. to 7 p.m. Find your polling place and a sample ballot at MyVoteInfo.VoteKS.org.

ELECTION SIGNS & OTHER TEMPORARY SIGNS

Temporary signs like garage sale, election and contractor signs don't require a permit, but there are some rules you need to follow. Those rules change during an election period — 45 days before and two days after a primary, general or special election.

Rules that **always** apply

- Signs may not be placed in public parks or on other public property.
- Signs may not exceed 6 square feet in area or 4 feet in height.
- Signs may not exceed 5 pounds in weight, including both the sign and its mounting system.
- Signs may not be placed where they could obstruct drivers' views.
- Signs must be placed with the property owner's consent.
- Signs can remain in a yard for up to 90 days, as long as they are out of the right of way.

When we **are not** in an election period

- Signs are not allowed in the public right of way. On streets with sidewalks and trails, the right of way typically extends one foot behind the sidewalk or trail. If the street doesn't have a sidewalk or trail, the right of way is considered 11 feet from the back of the curb.
- Signs must be set back at least 5 feet from the public right-of-way line.

During an **election period**

- Signs are allowed in the right of way but must be set back 6 feet from the back of the curb. They cannot be placed between the back of the curb and a sidewalk or trail.
- They must be removed from the right of way outside of the election period.

If you are concerned about a specific sign location, call Community Development at 913.477.7500.

Public hearings and vote on **2026 Recommended Budget** set for Sept. 2

Lenexans will have an opportunity to provide feedback on the City's 2026 Recommended Budget during public hearings on Tuesday, Sept. 2. These hearings will be held during a City Council meeting, which will begin at 7 p.m. in the Community Forum at Lenexa City Hall. Later in the meeting, the City Council will vote on a resolution to approve the 2026 Budget.

The proposed 2026 Budget has been under review by the Governing Body since late June. The total recommended budget for 2026 is \$261.1 million. It reduces the property tax rate to 26.459 mills, a decrease of 0.5 mills compared 2025's mill levy. This is Lenexa's eighth consecutive reduction in the property tax rate.

When crafting the budget, City leaders adhered to the longstanding budget principles that have helped the City achieve favorable financial results over many years. They also weighed these key influences:

- A strong local economy with stable revenue and ongoing development activity.
- National economic uncertainty and higher costs for contractual services, commodities and capital projects.
- Potential for slower growth.
- New state or federal laws that could negatively impact City revenue.
- The City's commitment to providing exceptional services.
- Recruiting and retaining staff in the current job market.

"This budget reflects a balanced approach — investing in community priorities while maintaining the flexibility needed to respond to evolving economic conditions," City Manager Beccy Yocham wrote in her budget message to the Governing Body. "Further, the proposed budget honors existing commitments, continues to carry out the Governing Body's Guiding Principles and maintains our conservative and longstanding budget principles which have been critical in our long-term financial success."

A pivotal election this spring allowed City leaders to build the budget with the support of a key ongoing revenue source. Lenexa's 3/8-Cent Sales Tax was overwhelmingly renewed by voters in April 2025 and will continue to fund street maintenance and parks and recreation projects over the next 20 years.

**FIND THE 2026 RECOMMENDED BUDGET DOCUMENT AT
[LENEXA.COM/BUDGET](https://lenexa.com/budget)**

Tax relief to reach more residents

More homeowners will be able to apply to Lenexa's Property Tax Rebate Program this year due to broader eligibility criteria.

In 2024, Lenexa introduced a program to help qualifying homeowners offset the impact of rising property values. Following a successful pilot year, the Lenexa City Council approved policy revisions that expand program eligibility in 2025 to more residents who need relief. To be eligible to apply, you must now:

- Be age 62 or older or be a disabled veteran with a 50% or more disability rating.
- Own and live in your home in Lenexa.
- Have a home valued at no more than \$467,962.
- Be current on your property taxes.
- Have an annual household income at or below the 2024 low-income limit from the Department of Housing and Urban Development.

If eligible, you can get a rebate worth up to 75% of the portion of your property tax bill that goes to the City. The exact amount you'll receive depends on how many people apply. Most homeowners can expect to get between \$500 and \$1,000 back. The deadline to apply for a property tax rebate is Oct. 31.

Learn more at [Lenexa.com/Rebate](https://lenexa.com/Rebate).

Back-to-school safety tips

School is in full swing! Here are some safety reminders to discuss with your kids who may be walking or riding a bike to school:

for walkers

- Use the sidewalk if one is available. If there is no sidewalk, walk facing traffic.
- Look both ways before crossing any street.
- Cross the street using crosswalks or intersections.
- Make eye contact with drivers before crossing to ensure they see you.

for bicyclists

- Always wear a properly fitted helmet.
- If riding in the street, ride on the right side of the road, with traffic, in a single file.
- Stop and look both ways before crossing any street. Walk your bicycle when crossing the street.

for walkers and bikers: There is always safety in numbers. Encourage your children to stay with others as they make their way to and from school, rather than going alone.

for drivers

- Stay alert when driving through school zones. Slow down and watch for children crossing.
- Avoid distractions inside the vehicle such as your cellphone or the radio.
- Never drive around a school bus that has its stop sign extended. This includes traffic in both directions.

OCTOBER IS NATIONAL COMMUNITY PLANNING MONTH

What's being built there?

If you've driven through Lenexa lately, you've probably noticed something new taking shape — whether it's a hotel, a neighborhood of homes, a large business park, your next favorite restaurant in City Center, improvements to a park or road construction. Between City-led infrastructure projects and private development, there's a lot happening around town!

Curious about what's going on at a specific site — maybe that empty lot near your neighborhood or the construction down the street from your office? The City offers several online tools to help you stay informed.

Start by visiting [Lenexa.com/Planning](https://lenexa.com/Planning). You can view a development activity map to explore current residential, commercial and industrial projects from private developers. You can also access the zoning and future land use map to see what's generally planned for undeveloped areas — this map shows the City's long-term vision for how land may develop over time. For a clearer view, try turning off the zoning layer.

Some construction around Lenexa is public development, coordinated by the City of Lenexa, a utility or the Kansas Department of Transportation. You can find projects planned by the City over the next five years at [Lenexa.com/CIP](https://lenexa.com/CIP).

Another great way to stay informed is by subscribing to Planning Commission agendas and minutes, giving you a look at development applications as they move through the review process. Sign up at [Lenexa.com/Enews](https://lenexa.com/Enews).

As we celebrate National Community Planning Month in October, it's a great time to highlight the role that city planners play in shaping the future of Lenexa. From reviewing development proposals to helping guide long-term land-use decisions, planners work behind the scenes to ensure that growth in Lenexa is thoughtful, coordinated and aligned with the community's vision. Visit [Lenexa.com/Planning](https://lenexa.com/Planning) to learn more about Lenexa's Planning Division and how city planning shapes our community's growth.

Have questions? Reach out to our planners anytime at planning@lenexa.com.

National Preparedness Month

GEAR UP FOR SAFETY: 20 MUST-HAVE EMERGENCY ITEMS FOR YOUR CAR

September is National Preparedness Month — an annual campaign that reminds us all that taking time to prepare for emergencies and disasters can help keep ourselves, our families and our communities safe.

Whether you're heading out on a scenic fall road trip to the East Coast or just upgraded your ride to a more family-friendly SUV, being prepared before you hit the road is key. Below, the City of Lenexa's Emergency Preparedness Manager, Susan McMahan, shares her list of the 20 essential items every vehicle should have to stay safe, mobile and ready for the unexpected.

VEHICLE EMERGENCY ESSENTIALS

1. BASIC FIRST-AID KIT

From bandages and ibuprofen to disposable gloves and ice packs, a first-aid kit is crucial for treating minor injuries on the go.

2. CAR ESCAPE TOOL

A seatbelt cutter and tempered glass window breaker can be lifesaving in case of an accident or entrapment.

3. CAR JACK

Most vehicles come with a jack, but it's important to know how to use it safely in case of a flat tire.

4. SPARE TIRE OR EMERGENCY INFLATOR

Always keep a properly inflated spare tire in your vehicle and inspect it regularly for signs of wear or damage. Alternatively, you can carry an emergency tire inflator aerosol — but remember, this is only a temporary fix designed to help you reach the nearest tire repair facility safely.

5. CELL PHONE CHARGER

A dead phone can leave you stranded. Pack an extra charger — or better yet, a portable battery bank.

6. THERMAL BLANKET

These aluminum-lined blankets reflect up to 90% of body heat and offer critical warmth in cold weather or during an emergency overnight stay.

7. WATERPROOF PONCHOS

Military-grade rain ponchos will keep you warm and dry if you're stuck outside during heavy rain.

8. WORK GLOVES

Durable gloves protect your hands while handling repairs, changing tires or moving debris.

9. WATER BOTTLES

Always keep at least a couple of sealed water bottles in your car. Staying hydrated is vital during long delays or breakdowns.

10. NON-PERISHABLE FOOD

Energy bars, trail mix or vacuum-sealed snacks can be a lifesaver if you're stranded without access to food.

11. COMPACT SHOVEL

A foldable or multiuse shovel can help you dig through snow, sand or mud to get your vehicle back on the road.

12. WHISTLE

A loud whistle is an easy way to attract attention if your voice can't carry far in an emergency.

13. ICE SCRAPER/SNOW BRUSH

A sturdy scraper and brush combo helps you clear frost, snow or ice quickly to restore visibility and stay safe in winter weather.

14. REFLECTIVE TRIANGLE OR FLARES

If your car breaks down, place a reflective triangle or emergency flares behind it to alert other drivers and keep yourself safe.

15. PAPER MAP OR ROAD ATLAS

In case you lose GPS or cell signal, a paper map can help you navigate unfamiliar routes.

16. CAT LITTER OR SAND

A bag of cat litter or sand can provide much-needed traction if you get stuck on ice or in mud.

17. FLASHLIGHT (WITH EXTRA BATTERIES)

A reliable flashlight helps you see under the hood or change a tire after dark — and can also signal for help.

18. DUCT TAPE

From temporary car fixes to sealing a broken window, duct tape is a multipurpose tool that earns its place in any emergency kit.

19. MULTITOOL

A sturdy multitool can serve as a screwdriver, knife or pliers — all in one compact device.

20. NOTEBOOK AND PEN

Helpful for taking notes in case of an accident, exchanging information or jotting down directions.

"Preparedness is more than just a checklist — it's a mindset," Susan McMahan said. "Whether you're at home, at work or on the road, having the right tools and resources on hand can turn a crisis into a manageable situation."

WANT TO WIN A FREE EMERGENCY CAR KIT?

Tell us what you learned from these tips! Submit your biggest takeaway or favorite item from the list, and you'll be entered for a chance to win a fully stocked emergency car kit. Enter by Sept. 19.

Fire Prevention Week

October 5–11, 2025

CHARGE INTO **FIRE SAFETY!**

Lithium-ion batteries charge everything from smartphones to electric cars. As these rechargeable batteries become more integrated into our lives, it is important to review safe usage and disposal.

Charging

Always use the chargers and cords that come with the product. Charge your device on a hard surface. Unplug or remove the battery once it is fully charged.

Safety Concerns

Stop using the device right away if it becomes hot to the touch, smells odd, makes noises or changes color or shape. If it is safe to do so, move the item away from anything flammable. Call 911 if you believe there is a risk of fire.

Disposal

Never dispose of lithium-ion batteries in the trash — they can start a fire. Instead, take batteries to a proper recycling facility. There are several recycling options in the area, including a drop-off appointment at the Johnson County Household Hazardous Waste facility. Visit call2recycle.org to view other local recycling options — including one right here in Lenexa!

HAVE BULKY JUNK? HAUL IT OFF THIS FALL.

DUMPSTER DAYS

OCT. 4-5, 8 AM-4 PM
MUNICIPAL SERVICES SERVICE CENTER,
7700 COTTONWOOD ST.

Lenexa residents can drop off bulky items at our Dumpster Days events, hosted one weekend each spring and fall. Bring proof of residency, like a driver's license or utility bill.

We charge fees to cover recycling, disposal and transportation costs. You can pay with cash, check or credit card.

FEES PER LOAD		FEES PER ITEM	
Car, minivan with seats	\$20	Tire	\$5
Minivan without seats, SUV	\$25	White appliance with Freon	\$75
Small trailer (one axle)	\$30	Computer monitor	\$20
Pickup, panel/service van	\$40	Television	\$35
Tandem-axle truck or trailer, small moving-style box truck	\$50		
Large moving-style box truck	\$75		

YOU CAN DROP OFF **THESE** ITEMS

ITEMS NOT ACCEPTED

SAFELY DISPOSE OF MEDICATIONS

PRESCRIPTION DRUG TAKE BACK DAY

OCT. 25, 10 AM-2 PM
LENEXA JUSTICE CENTER, 17371 PRAIRIE STAR PKWY.

The U.S. Drug Enforcement Agency's Take Back Day provides an opportunity to prevent prescription drug addiction and overdose deaths — a crucial public safety and public health issue. Studies show that a majority of abused prescription drugs were obtained from family and friends. They're often taken from the home medicine cabinet.

For your convenience, this event will be a drive-thru format in front of the Lenexa Justice Center.

For safety reasons, we cannot accept inhalers and liquids. For information about disposing of those items, go to [Lenexa.com/DrugDisposal](https://lenexa.com/DrugDisposal).

Please follow these steps when disposing of your medications.

- Dump pills and patches from their original container into a resealable zipper storage bag. Different pills can be mixed together in the same bag. Empty medication containers can then be disposed of with your regular garbage.

- Medical sharps and needles should be placed in an appropriate medical sharps container or other puncture-resistant container, such as a laundry soap container or empty bleach bottle. For more information, go to [Lenexa.com/DrugDisposal](https://lenexa.com/DrugDisposal).
- Bring your resealable zipper storage bag(s) of medication to the Justice Center, and you will be directed to the appropriate drive-thru lane to dispose of your medication in a collection bin. No appointment is necessary. Any items that cannot be accepted, as well as excessive packaging, will be returned to you.

If you cannot attend this event, the Lenexa Police Department offers year-round prescription drug disposal inside the lobby of the Justice Center. Visit [Lenexa.com/DrugDisposal](https://lenexa.com/DrugDisposal) for more information.

Staying safe in a digital world

TIPS FOR PARENTS ON KIDS, CELLPHONES AND THE INTERNET

In today's connected world, cellphones and internet access are a regular part of growing up. While technology can be a great tool for learning and communication, it also comes with risks — especially for children and teens. As a parent, staying informed and involved is key to helping your child navigate the digital world safely and responsibly. Here are a few simple but important tips from the Lenexa Police Department to help protect your child.

Set clear rules and expectations.

Talk with your child about what is — and isn't — appropriate when using a phone or going online. Set limits on screen time, talk about respectful online behavior and make sure they know never to share personal information like their full name, address or school.

Know what apps your child is using.

Many popular apps have messaging or live video features that can connect users with strangers. Check privacy

settings and disable location sharing when possible.

Encourage open communication.

Let your child know they can come to you if they see something upsetting online or if someone makes them feel uncomfortable. Staying calm and supportive in those conversations helps build trust.

Monitor without spying.

There's a balance between privacy and protection. Regularly review their contacts, messages and activity, especially for younger users. Use parental control features or monitoring apps as needed — but keep the lines of communication open so your child understands your intent is safety, not punishment.

Be a good role model.

Kids learn by watching. Show them how to use devices responsibly, treat others with respect online and maintain a healthy balance between screen time and real-world activities.

Technology will always change, but your involvement as a parent remains the most powerful tool in keeping your child safe. If you ever have questions or concerns about online safety, the Lenexa Police Department is here to help.

Stay safe and connected!

Meet Curt Talken

Curt Talken has a hand in just about every tree you walk past in Lenexa. As the City's parks landscape supervisor and certified arborist, Curt helps keep Lenexa's parks, trails, medians and public spaces green, healthy and beautiful. And now, after more than a decade of service, he's been named the City's 2024 Employee of the Year.

Curt joined Lenexa Parks & Recreation in 2013 and quickly became known as the go-to expert for all things trees and landscaping. Today, he leads a team that maintains 18 acres of landscaping and thousands of trees. They plant about 10,000 flowers each year and respond to hundreds of service requests — often after storms or when a tree in the public right of way needs attention. From blooming daffodils along Little Mill Creek Trail to the native landscaping at City buildings, Curt's work touches nearly every corner of Lenexa.

He's also the one residents call when they have questions about street trees or concerns about safety. Known for being calm, kind and incredibly knowledgeable, Curt takes pride in educating others and making decisions that will benefit the community for years to come. His coworkers say he's like a "superhero of trees" — always showing up with answers and a great attitude.

Whether he's planning a new landscape design, mentoring his team or improving a process to save time and resources, Curt is always looking for ways to make things better. His dedication, vision and love for the outdoors have helped make Lenexa's green spaces the beloved places they are today.

We asked Curt to share more about his service with the City of Lenexa.

What is most rewarding about your job?

I really enjoy making improvements to better the community and our department, whether that involves redoing a tired landscape bed, planting trees in a park or finding a more efficient way to do our job. It's also rewarding to see the public enjoy the parks and events we work so hard at every day.

How has your job changed since you started working for Lenexa in 2013?

When I first started, our work was focused mostly on maintenance — things like mulching, weed control and pruning trees. Over the years, we've taken on a lot of exciting projects. We helped build the championship-level disc golf course at Black Hoof Park, landscaped the Renner Boulevard roundabouts, and were part of the Lenexa City Center and Lenexa Justice Center developments. We've also worked on improvements at Sar-Ko-Par Trails Park, the Old Town Activity Center, Cedar Station Park and trail upgrades. It's been incredible to see how much we've grown and how much we've been able to contribute.

What would surprise people about your work?

What our landscape team of eight full-time staff and two seasonal employees accomplish each year. Maintaining 18 acres of landscaping and thousands of trees is challenging, but we also assist with festival operations,

snow removal, tree cleanup after storms, and plant about 10,000 flowers a year grown at our greenhouse. We prune about one-fifth of the city's trees each winter and handle hundreds of service requests.

What energizes you at work?

Making improvements. I'm always wanting to make things better than they were before. I also love seeing the transformation of a site after trees and landscaping are installed, and seeing the public enjoy what we work so hard at.

Do you have a favorite park or trail you've worked on personally?

Over the past few years, we've planted more than 20,000 daffodils along Little Mill Creek Trail. It's really cool to see them in bloom — they're one of the first signs that spring is here. I also love Black Hoof Park. The trails, dam, disc golf course and natural setting make it a great place to visit.

If you could plant only one type of tree all over the city, what would it be and why?

Oak trees. Some people don't like the acorns, but I love their longevity, hardiness and durability. I always admire the old neighborhoods in Kansas City lined with huge oaks that have stood the test of time. That's what I hope for in Lenexa.

What advice do you have for others interested in this type of work?

Parks and Recreation is a great profession. It's rewarding to serve the public, it's a fun atmosphere with a great work-life balance. There's also a lot of opportunity for advancement if you're willing to put in the effort. I started my career working in the field over 20 years ago and have since moved up to a supervisor role.

JEANIE WEBSTER

LEAVES MAY FALL, BUT THEY SHOULDN'T BE LEFT BEHIND

As the crisp air rolls in and leaves begin to blanket our streets, it's easy to forget that this seasonal beauty can cause some serious problems when not managed properly. Fallen leaves that end up in storm drains, gutters or the street can create more than just a mess — they can pose real risks to our homes, roads and environment.

When leaves clog storm drains, rainwater has nowhere to go. This can lead to dangerous street flooding, hydroplaning vehicles and soaked pedestrians. Left to sit, leaves become the perfect hiding spot for rodents and insects, not to mention a major source of water pollution. Once washed into creeks and streams, decaying leaves deplete oxygen and harm aquatic life. Wet leaves also create a slick driving surface — especially hazardous for cyclists and motorcyclists, with an effect similar to black ice.

Even around the house, leaves can cause trouble. Clogged gutters can lead to wood rot, roof damage and even foundation issues. Regular cleaning or investing in a gutter guard system can help protect your home.

Do Your Part

- Never sweep or blow leaves into the street, storm drains or streams. It's not only harmful — it's against City Code.
- Bag your leaves, mulch them into your lawn or start a compost pile.
- Don't sweep your leaves at the curb. Lenexa does not provide curbside leaf collection, and those piles often end up in the street or blocking drains.
- If you see someone disposing of leaves improperly, contact Lenexa Municipal Services at 913.477.7880.

Lawn service companies may temporarily collect leaves in the street, as long as they remove them before leaving the property.

Let's all do our part to keep our city clean, safe and beautiful this fall.

GREG TURCOTTE

5 THINGS TO KNOW ABOUT THE LENEXA OLD TOWN ACTIVITY CENTER

There's a new place to gather, play and connect in the heart of Old Town. Whether you're looking for kid-friendly fun, casual fitness or a welcoming space for older adults, the Lenexa Old Town Activity Center has something for everyone. Here are five key things to know before you visit:

1. IT'S A DROP-IN DESTINATION FOR ALL AGES.

The Old Town Activity Center isn't membership-based — it's built around flexible, affordable programming and drop-in activities. You'll find a variety of rotating classes, enrichment programs and casual recreation for kids, adults and families. To participate in a program, register in advance. For a drop-in activity, just show up, pay a small fee (or use a punch card), and join in.

NEW! AFTER SCHOOL ACTIVITIES

Looking for a fun way for kids to stay active and connect with friends after school? Swing by for After School Open Play, offered Monday through Thursday from 3:30 to 5 p.m. Kids and families of all ages can enjoy a variety of games and sports — basketball, pickleball, table tennis, shuffleboard, futsal and more — both inside the gym and out on the porch. It's the perfect way to unwind, move and make new friends after a full school day. See page 27 for fees.

2. OLDER ADULTS HAVE A SPACE OF THEIR OWN IN THE HASKINS WING.

The Haskins side of the facility is tailored for older adults. It's a welcoming space to enjoy weekday lunches for a suggested donation through Johnson County Nutrition Services, play cards or bingo, take a fitness class, catch a movie or attend a wellness workshop. It's all about staying active and connected in a fun, social setting.

3. IT'S A GO-TO SPOT FOR BIRTHDAY PARTIES, CELEBRATIONS AND RENTALS.

Planning a party? The facility is great for preschoolers and sports-loving kids. It's also a flexible space for family gatherings, meetings, baby showers and more. Lenexa residents get a discount.

4. PUNCH CARDS MAKE IT EASY TO SAVE MONEY.

No need for a long-term commitment. If you plan to visit regularly for drop-in activities, a punch card is your best bet. It's a simple, budget-friendly way to stay involved and make the most of your time at the center. Punch cards are \$27 to \$45 for a 10-punch card — a 10% savings. Otherwise, prices range from \$3 to \$5 to play or participate. Plus, cards can now be purchased and available in the Lenexa Park & Rec app so you can scan and go.

5. COURTS, COMPANY AND CONNECTION AWAIT OUTSIDE.

Outside, you'll find pickleball and shuffleboard courts, a basketball hoop and plenty of room to meander or just catch up with old and new friends. You can check out cornhole boards and other equipment for shuffleboard, table tennis and pickleball inside. The space is open for free play when not reserved for programs, events or drop-in activities. Visit [Lenexa.com/ActivityCenter](https://lenexa.com/ActivityCenter) for the latest schedule.

Browse the Recreation Program guide (starting page 22) to see what programs and drop-in activities are available. We've kept the favorites like Gym for Me and bingo but have added some new ones like After School Open Play and Open Walk in the gym and expanded on some others like pickleball clinics and leagues.

NEW HOURS STARTING SEPT. 8

Monday–Thursday: 8 a.m. to 9 p.m.
* Front desk closes at 5:30 p.m.

Friday: 8 a.m. to 5:30 p.m.

Saturday: 8 a.m. to 4 p.m.

Sunday: Noon to 5 p.m.

913.477.7100

[Lenexa.com/ActivityCenter](https://lenexa.com/ActivityCenter)

Fresh fall finds

await at the Farmers Market

As summer fades, the Lenexa Farmers Market transforms with the season. Vendor booths will start brimming with crisp apples and pecans for baking, winter squashes and hearty root vegetables for stews, and locally raised meats for roasting. Visit the Market on Saturdays to soak up the atmosphere and look for these popular items.

Seasonal home touches

Bring the beauty of the harvest home with natural, rustic accents from our vendors:

- Colorful mums
- Ornamental gourds
- Decorative corn
- Pumpkins (various kinds and colors)

Autumn scents

Shift to fall-inspired bath products:

- Madd House Hill's seasonal goat milk soaps in Chai Tea and Cloves & Orange
- Next to Nature Farm's beeswax soaps in Enchanted Apple and Rosemary & Thyme

Fall-flavored treats

Enjoy a menu of comforting seasonal bites and beverages:

- Artisan Kombucha — pear cider, apple spice and vanilla chai kombuchas
- Brew Haha Coffeehouse — fall spice and autumn sky lattes, apple cider, pumpkin muffins
- JET Produce and Meats — apple cider, applesauce, cornbread mix, soup mix
- Ree Ree's Krunchies — freeze-dried candy corn
- Rock the House Bakery — pumpkin and apple pies, apple honey bread
- Smooth September — Caribbean herbal tea blends with tropical flavors and aromatic spices

Homestead Kitchen +

The comfort food you've been craving — pork tenderloin sandwiches, biscuits and gravy, cinnamon rolls, cherry-filled turnovers, giant classic chocolate chip cookies and more — are now available from the Public Market's newest merchant, Homestead Kitchen + Bakery.

Homestead Kitchen + Bakery owners Kelly and Lori Gardner operate out of the stall that formerly housed Cosmo Burger. This is the second location for the business, which has built a faithful following at their original storefront in Baldwin City, Kansas.

"We're a delicious, casual concept that brings balance to the table," said Owner Lori Gardner. "Whether you want a healthy salad and protein balls,

8750 Penrose Ln., Lenexa, KS 66219
LenexaPublicMarket.com

Bakery

or you have a hankering for a burger, fries, and ice cream, we have something for every mood. We've been in business for close to nine years and we've worked very hard to build a concept that our customers enjoy."

From hearty breakfasts to satisfying lunches and cozy dinners, everything they serve is crafted with your family in mind. Whether you're stopping in for a sweet treat or sitting down for a warm meal, you'll always feel right at home.

They plan to add gluten-free and dairy-free menu items soon.

Homestead Kitchen + Bakery is open Sunday–Monday, 8 a.m.–2 p.m. and Tuesday–Saturday, 8 a.m.–7 p.m. View their full menu at LenexaPublicMarket.com.

Call for craft vendors

Calling all craft vendors! Showcase your creativity this holiday season at the Lenexa Public Market. We're seeking adult artisans with high-quality, handmade goods for Sip, Mingle & Jingle on Nov. 21, and young makers (high school seniors or younger) who have the unique opportunity to create and sell original items for the Kid Makers Market on Nov. 23. Apply by Oct. 13, at LenexaPublicMarket.com/SMJ and LenexaPublicMarket.com/KidMakers.

Friday Night Sound Bites Fridays, 7–10 p.m.

Grab a friend, get some grub and groove into the weekend with the Lenexa Public Market's popular music series. Join us for free, live music and flavorful food options from our merchants and rotating food trucks every Friday night through Oct. 31 on the Lower Commons.

CHILI CHALLENGE

PRESENTED BY EVERFAST FIBER NETWORKS

OCT. 10, 3-10 PM • OCT. 11, 10 AM-4 PM • OLD TOWN LENEXA, SANTA FE TRAIL DRIVE & PFLUMM RD.

One of Lenexa's spiciest events is almost here! The 38th annual Lenexa Chili Challenge heats up Friday night with live music, face painters and balloon artists while nearly 200 teams prep for Saturday's competition. After many years, we're retiring fireworks at the Lenexa Chili Challenge to focus on what makes this event special — great chili, great music and great community. On Saturday, grab your spoon at the gate and sample chili, hot wings and salsa (while supplies last). Face painters, balloon artists and live music keep the fun going. Free admission.

Lenexa.com/Chili

KIDS KORNBREAD CONTEST

OCT. 11 • 9 AM • OLD TOWN LENEXA, SANTA FE TRAIL DRIVE & PFLUMM RD.

Kids ages 12 and under are invited to enter their best cornbread in the Kids Kornbread Contest at the Lenexa Chili Challenge. Winners announced on stage at approximately 4 p.m. Entry is free, and participants don't need to be part of a Chili Challenge team to enter. Limited to the first 30 kids registered.

HALLOWEEN HAPPENINGS

IN LENEXA

TRUCK OR TREAT

OCT. 18 • 8–11 AM • MUNICIPAL SERVICES SERVICE CENTER, 7700 COTTONWOOD ST.

This event brings out the best of touch-a-truck and trunk-or-treat. Kids will have a blast watching pumpkins get smashed by construction equipment and checking out monstrous trucks up close while collecting treats. The whole family can learn from demos showing how the Municipal Services team keeps streets, traffic signals, vehicles, stormwater systems and facilities in good shape.

Lenexa.com/TruckOrTreat

COSTUME CONTEST AT FAMILY NIGHT

OCT. 29 • 5–7 PM • LENEXA PUBLIC MARKET, 8750 PENROSE LN.

Calling all little ghosts, superheroes and pumpkins! Dress up and take part in our kid-friendly costume contest during Wednesday Family Night. Make it an evening filled with sweet treats, festive fun and Halloween excitement for the whole family.

LenexaPublicMarket.com/FamilyNight

ENCHANTED FOREST

*PRESENTED BY
EVERFAST FIBER
NETWORKS*

OCT. 30, 4–8 PM

• SAR-KO-PAR TRAILS PARK, 8801 GREENWAY LN.

For one magical night a year, Lenexa's most popular park transforms into an enchanted forest filled with not-too-spooky delights for young kids and families. Hop on a hayride, paint a pumpkin and stroll around Rose's Pond for puppet shows, musicians, magic shows, Halloween displays and charming performances. Free. Lenexa.com/Enchanted

FRIDAY NIGHT SOUND FRIGHTS + ADULT COSTUME CONTEST

OCT. 31 • 7–10 PM • LENEXA PUBLIC MARKET 8750 PENROSE LN.

While the kids are out trick-or-treating, join us for the final Friday Night Sound Bites of the year. Come in costume, enjoy live music by Tre' Mutava and enter our adult costume contest for a chance to win a \$50 Public Market eGift card. It's the perfect way to celebrate Halloween night — music, fun and spooky vibes await!

Youth ENRICHMENT

NEW! Tiny Scientists by Mad Science AGE 4-6

Tiny scientists will be introduced to the wonders of the world around them to spark curiosity through hands-on exploration of fun, engaging themes in a preschool-friendly way. A take-home experiment is provided weekly.

SESSION ONE. Tiny scientists will explore the world through sight, color, air, water and tools of observation. From investigating how air and water behave to discussing how we see, measure and observe details up close, each topic sparks curiosity through fun, hands-on learning.

M	9/15-10/20	10-10:30 AM	\$72	ACT	5011007
---	------------	-------------	------	-----	---------

SESSION TWO. Explore the world of animals, sound, chemistry, shapes, space and weather through interactive lessons, allowing children to discover how animals live, the science of sound, chemical reactions, structures, the solar system and the wonders of weather.

M	11/3-12/8	10-10:30 AM	\$72	ACT	5011007
---	-----------	-------------	------	-----	---------

Preschool Pals AGE 3.5-5

This program is designed to help children reach developmental milestones needed for success in kindergarten. An emphasis is placed on nature, music, fitness and art, while focusing on development through hands-on learning. Children must be potty-trained to attend.

History Happy Hour: Voices of Japanese "War Brides" in Postwar Kansas

After World War II, many Japanese women married U.S. military men and moved to America, facing culture shock, isolation and hardship — but also finding opportunity, resilience and community on the Kansas Prairie. In this thought-provoking talk, Ayako Mizumura, assistant director of the University of Kansas Center for East Asian Studies, shares the voices of these women as they navigated between cultures and built new identities far from home. Come early to grab dinner or drinks at the Lenexa Public Market before the presentation. Presented in partnership with Humanities Kansas, the History Happy Hour series invites adults to explore untold stories that spark conversation and connection.

NEW! Lackman-Thompson Estate Tours

Step back in time and explore the rich history of Lenexa's only listing on the Register of Historic Kansas Places. This guided tour offers a rare glimpse into the lives of the influential families who helped shape Johnson County, revealing stories of legacy, community and change. Before your tour, enjoy refreshments and mingle with fellow guests inside the beautifully restored Thompson Barn. This historic home includes steep, narrow stairs, and the tour covers the second and third floors. If you have mobility concerns, please contact Lenexa Parks & Recreation in advance.
