MAINTENANCE & RELEASE AGREEMENT

On this _____ day of _____, 2024, _____ (“Grantee”) and the City of Lenexa, Kansas, a Kansas municipal corporation (“City”) agree to the following:

Grantee has voluntarily installed the following Stormwater Treatment Facility/Facilities (“STF”):

1. Grantee agrees to maintain the above-referenced STF for a minimum of (3) years after project completion. Nothing within this section shall limit Grantee’s responsibility to maintain its property in accordance with the Lenexa City Code.
2. Grantee understands and acknowledges that neither City’s agreement to reimburse Grantee a portion of the cost of the STF, nor any technical advice regarding installation or maintenance of the STF shall create any responsibility for the City to maintain or manage the STF, or create any liability upon the City.
3. Grantee agrees to indemnify, defend, and hold the City harmless for any damage, loss, or liability of any kind, including but not limited to injury to persons or damage to property which may be related to reimbursement of the cost of the STF, and/or construction of a STF on his/her property.
4. Grantee understands that the City may take photos of the STF and grants City the unrestricted right to use and publish photographs of me and/or the STF without compensation, for editorial, trade, promotional, and any other purpose and in any manner and medium and to copyright the same. I hereby release the City from all claims and liability relating to said photographs.

City of Lenexa Stormwater Management 2024 Cost Share Application

Program Conditions and Instructions

The City of Lenexa is partnering with the Johnson County Stormwater Management Program to provide \$15,000 for a stormwater management cost-share program. The program is intended to help cover the cost of materials and/or contractor labor to install such projects. The City of Lenexa will provide a 75 percent match for rain barrels and associated materials, up to \$110 per rain barrel. Funding is available to applicants on a first come, first served basis, and applications will be considered in the order they are received.

Lenexa staff is available to help answer any questions you have as you work through the application. **If you have questions about the program, email us at costshare@lenexa.com**

Program Applicant Conditions:

1. The applicant shall be responsible for all project costs. The City of Lenexa will provide reimbursement after the costs have been incurred. After the applicant submits all final costs and receipts, the City of Lenexa will verify the structure is properly installed and will then provide reimbursement to the applicant.
2. The project must be installed and completed by October 31, 2024.
3. The City of Lenexa will require access to your property for evaluation of the application prior to the start of construction, during construction and after construction is complete for final inspection of the project. Photos will be taken of the project for possible use in promotional materials about Lenexa's Stormwater Program.
4. Implementation of an approved project is the sole responsibility of the property owner. The City of Lenexa is not liable for personal injury or property damage resulting from work or alterations in drainage.
5. Projects approved for funding carry no implied warranty by the City of Lenexa.
6. The funded practice shall be maintained for a minimum period of three years. All maintenance costs are the responsibility of the property owner.
7. The applicant is responsible for obtaining all applicable permits. This includes notifying Kansas One Call before digging. This application approval does not constitute a permit.
8. Annual reimbursement is limited to \$1500 per resident.
9. **The person requesting the reimbursement must submit a completed W-9 form with the application. Applications without a completed W-9 will not be approved until it has been submitted.**
10. **Applicant must register as a vendor on the City of Lenexa Vendor Self Service Portal to be paid for the project. <https://vendor.lenexa.com/vss/Vendors/default.aspx>**
