

WELCOME!

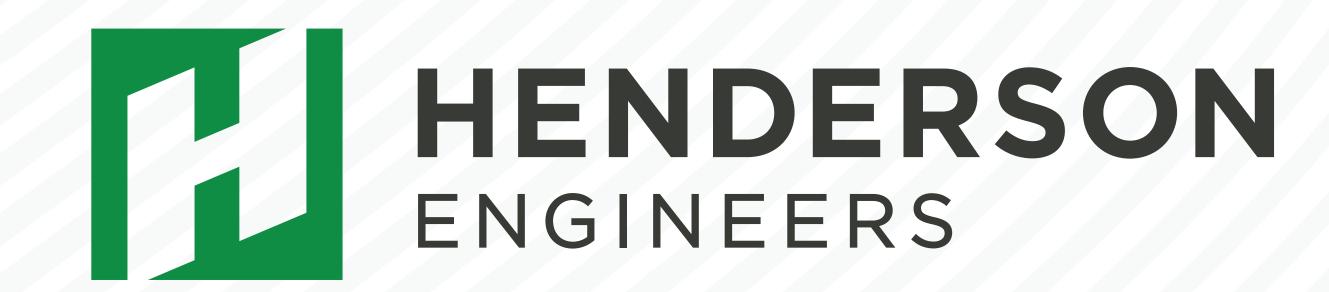

Welcome to Black Hoof Disc Golf Course. Disc Golf is a sport played like traditional golf. There is a teebox and a basket (the hole) and the objective is to get the disc in the hole in the fewest number of throws. Whoever has the fewest throws at the end of the round wins!

Please help us maintain this high-quality course by giving a donation. All donation proceeds go back to maintain and improve the course. While not required to play, we suggest a \$2 donation per day played or choose an annual donation of \$50.
