General Information

Pre-Competitive Swim Program: Your swimmer must be between the ages of 5 and 13 years of age as of June 1 to be eligible to swim in this program. This program is not a substitute for swimming lessons. Your swimmer will be coached in stroke technique, but they should already have general knowledge of freestyle and backstroke. The pre-competitive team is intended to refine competitive swimming strokes and prepare swimmers for the competitive team.

Requirements: Athletes should have completed swim lessons and be able to swim freestyle competently for 25 yards with their face in the water, without touching the bottom of the pool, and competently swim backstroke for 25 yards without touching the bottom of the pool. Children will not be allowed to swim if they do not meet these requirements.

Competitive Swim Program: The competitive team consists of swimmers between the ages of 7 – 18 years of age who are proficient at swimming the length of a 50-meter pool. Younger swimmers may be accepted upon the approval of the Aquatics Specialist.

Requirements: Athletes should have completed swim lessons and be able to swim freestyle competently for 50 yards with their face in the water, without touching the bottom of the pool, and competently swim backstroke for 50 yards without touching the bottom of the pool. Children will not be allowed to swim if they do not meet these requirements.

Swim Test Requirement: Athletes who are new to the pre-competitive or competitive swim team must attend a swim test at the Lenexa Rec Center to ensure swimming ability.

Swim Test Dates:

- Monday, April 15th 5:30-8:00pm
- Wednesday, April 24th 5:30-8:00pm
- Saturday, April 27th 11:30-1:00pm

There are three placement possibilities (*please respect coaches' evaluation of your swimmer's skill level*):

- Promotion to the competitive team
- Remain on the pre-competitive team
- Request to transfer to swim lessons if unable to swim without assistance

Competitive Dive Program: The competitive team consists of divers between the ages of 6 – 18 years of age. Divers must be able to swim confidently and dive in order to compete in the league.

Age Groups/Eligibility: Placement in age groups will be determined as of June 1. Competitive swimmers are grouped according to the following: 9&U, 11&U, 13&U, 15&U, 18&U. Divers are grouped the same as swimmers, but also include the 7&U age group. The Lenexa Lazars teams are open to any swimmer/diver who has not reached their 19th birthday before June 1.

Practice & Meet Attendance Policy: If your athlete is unable to attend practices during the week, they may not be able to participate in the meet that week. Please keep in mind that practice attendance plays a role in meet participation. If an athlete is unable to attend practice or a meet for any reason, please send an email to the appropriate coach. Please make sure your athlete has transportation to and from practices; although coaches are present slightly before and after scheduled practices, they have a schedule to maintain. Please make sure you arrive promptly to pick up your athlete and/or they are aware of how they are getting home.

Behavior Policy: The coaches will talk with the Lazars about appropriate behavior during practice and meets. If a swimmer or diver has received a verbal reprimand about inappropriate behavior, the coach will talk to the parent/guardian in person and/or an email will be sent to the parent/guardian. We want the swim & dive team to be a safe and fun activity for everyone. If your child has received a reprimand, please review the email and discuss this with your child. Each athlete's behavior affects the entire team.

The pool is closed to the general public during practice times; siblings, parents, friends, etc. are not permitted to utilize the pool during this time.

Mail Boxes: Every family will have a file in the file boxes. These mailboxes will be used to distribute ribbons after the swim and dive meets, along with any other important pieces of communication from coach, parents, or administration.

Correspondence with Coaches: Due to the large number of athletes, please notify coaches of any scheduling problem. practice is completed for the day, not during the scheduled practice or meet.

Inclement Weather: Do not leave your athlete at the pool without transportation if there is any question of threatening weather. Severe will require the coaches to cancel practice; no exceptions. Please make plans to have your swimmer picked up immediately in the event of dangerous or bad weather.

Canceling Practice: Practices will consider pool water temperature and weather prior to practice. Practices will be canceled at the Head Coach's and City of Lenexa's discretion.

General Communication: There are several ways to receive information about the Lenexa Lazars:

1. SwimTopia (web platform or app) <https://lenexalazars.swimtopia.com/>
2. Rainout
