RE: Adoption of a Tree and Plaque

The Parks and Recreation Department has been offered the adoption of a tree at Centennial Park with a plaque.

This request from Lenexa Rotary Club is to adopt a tree and donate a plaque along the Clear Creek Trail. Steve Nettles was a valued member of the Lenexa Rotary Club. The club would like to commemorate Steve for his service in anti-human trafficking. This donation would be in the same area of other approved donations for Lenexa Rotary Club members. The plaque will be placed next to the adopted tree along the paved trail.

The total value of the adoption is $350, which includes installation of the honey bronze plaque by Parks staff. The attached picture shows the tree location at Centennial Park.

As per policy, requested wording for the plaque is:

Lenexa Rotary Club
Steve Nettles
Service Above Self

I recommend acceptance of this adoption. Please contact me with questions or comments. Thank you.
